INVESTITURE CEREMONY

"A leader is one who knows the way, goes the way and shows the way"

MVN School, Sector – 17, *Faridabad* celebrated its Investiture Ceremony for the session 2017-18 with great pomp and show. The festivities began with a heartfelt prayer and an inspiring musical rendition invoking the blessings of Goddess Saraswati to bless the momentous morning. A splendid March Past ushered in the Student Council for 2017-18.

The outgoing Council handed over the flag to the new office bearers. The Council members took an oath of diligence, responsibility and leadership to uphold the school's glorious tradition. Badges and Sashes were presented to the Council to a thunderous applause. The Head Boy and the Head Girl addressed the gathering pledging a sincere endeavour. The programme concluded with an inspiring talk by the Principal highlighting the true role of a leader in bringing about the desired change. Leadership with vision and humility win the day for humanity.

SCIENCE WEEK 16th AUG – 19th AUG 2017

The students of MVN Sec 17, FBD celebrated Science Week from 16.08.17 to 19.08.17 in the memory of Dr. Vikram Sarabhai, the father of Indian Space Programme.

Achievements

Sarabhai received the Shanti Swarup Bhatnagar Medal in 1962. The nation honoured him awarding Padma Bhushan in 1966 and Padma Vibhushan (posthumously) in 1972

Distinguished positions

President of the Physics section, Indian Science Congress (1962)
President of the General Conference of the I.A.E.A., Vienna (1970)
Vice-President, Fourth UN Conference on 'Peaceful uses of Atomic Energy' (1971)

A science extravaganza was planned by the observing a variety of activities that provided a comprehensive edge to the teaching of science. A PowerPoint presentation was prepared by the students on the life of Dr. Vikram Sarabhai which was projected for the students. A special assembly was organized on the science week. The assembly began with choir brightening the atmosphere with the prayer. This was followed by Thought of The day and The news.

The students actively and enthusiastically participated in a Quiz based on the life of Dr. Vikram Sarabhai and the audience was kept engaged throughout this session. With this, the students got an insight into the contribution of Dr. Vikram Sarabhai. The students also regaled the audience with some amazing facts on every day science usage and interesting scientific anecdotes.

Live demonstration of experiments based on basic science application and concepts were also conducted.

A Science Quiz was organized in the school auditorium for the classes VI-VIII on Wednesday (16th August 2017) and for Classes IX – X on Friday (18th August 2017).

The Quiz of 6 rounds tested the scientific temper of the participants. Quiz enabled the participants and the audience to think critically and apply what they have learnt so far. All the Rounds were keenly contested by the students with great enthusiasm and zeal. The quiz was very informative and knowledge enriching for participants as well as for the audience.

SHOWCASING THE LEARNING

All the soft boards were decorated by the students on the various science related charts to boost up their creativity.... This activity helped them to develop team work, sense of responsibility, co-operation and mutual trust.

A Science Exhibition was organized in the school auditorium on 19^{th} August 2017. Students from classes VI – X displayed various projects and experiments. The exhibition was organized with a view to encourage scientific temper amongst the students. The Parents interacted with the students who exuded confidence while explaining the various projects and activities. The science exhibition was conceived as an interface of science and society, for creating awareness about science among the students.
