APRIL – JUNE 2018

*“Two roads diverged in a wood, and I—
I took the one less travelled by,
And that has made all the difference.”*

- Robert Frost

Dear Students

As you move ahead on the beautiful journey they call ‘life’ you will realize it is built upon nothing else but small and large blocks of choices. Perhaps you are realizing it already. When you go about the day making decisions for yourself, you are knitting your own story. What careers to pick? Which books to read? Who to befriend? How to react? Some of these decisions may seem insignificant today but they all fit perfectly in the grander scheme of things.

The most significant decision you will ever have to make will be the choice of what kind of person you want to be. Choose wisely. This will determine your impact on the lives of those around you. This will shape the imprints that will stay long after you are gone. I am not going to tell you what to be. I cannot. Nobody else can. Only you can make this choice for yourself.

What I can do is caution you against your worst enemies. Ignorance, indifference and apathy. Shoo them as far away as you can and you will do good. Make yourself proud... inside and out!

*Nasir Ahmed
PGT, English*

WORLD HEALTH DAY CELEBRATIONS

The World Health Day was celebrated in the school premises to draw the mass people attention towards the importance of health. Yoga Session was conducted in the school on this special occasion.

BAISAKHI CELEBRATIONS

Baisakhi marks the Sikh New Year, hence is a significant day in the Indian calendar. It is also celebrated as a spring harvest festival. The spirit of Baisakhi was captured and shared with fellow students and teaches by students of Lily house on 13th April, 2018, Friday.

It was celebrated with fervour and enthusiasm. On the occasion, students presented various cultural programmes including group song followed by group dance. An informative speech was also delivered highlighting the importance of Baisakhi festival.

EARTH DAY CELEBRATIONS

Students of MVN, Sector 17, Faridabad celebrated World Earth Day with energized eco-activities. Various activities were conducted on the occasion and saw ample participation from students of all wings. 'Best out of Waste' activity was organized and students created interesting items with the waste products. Class 8th participated in a Earth Day Rally, whereas class 9th and Class 6th contributed wholeheartedly towards a clean green earth by a Tree plantation activity. The students of class 7th participated in the Cleanliness Drive, highlighting the message of Clean Earth, Green Earth

LABOUR DAY CELEBRATIONS

'Labour Day' was celebrated by MVN, sector 17, Faridabad with great fervor. The Labour Day, marked on 1st May every year, was celebrated by the school as an opportunity to acknowledge and appreciate the contribution of its real workforce, the ancillary staff. As a mark of gratitude for the hard work put in by our support staff for the smooth functioning of the organization, a special assembly was conducted by the students.

MOTHER'S DAY CELEBRATIONS

Mother's Day is a great opportunity to thank and show gratitude to our guardian angels our mothers.

To celebrate Mother's Day, students of Rose House presented a special assembly on 11th May. It began with a classical dance performance by Aarushi of IX-A. The significance of a mother's role in a child's life was highlighted through a skit presented by the students of class IX. It was an emotional moment when Charvi Chawla of Class – X sang the song 'Meri Maa'. The assembly culminated with a dance performance by the students of classes VI-X.

Other highlights of the programme were a self composed poem recitation by Kasha of X-A and an interesting quiz based on mothers.

STAR ACHIEVERS

It is very well said that success is the result of perfection, hardwork, learning from failure, loyalty and persistence. Second day of ray was the most exciting day. It was a day of reward and recognition. A day to celebrate the achievements of high achievers and the most regular students of classes VI -X. The students were felicitated with the certificates of excellence. Honourable Principal Madam Ms. Agalya Venkatesh and the mentors of these high achievers took pride in felicitating them. Ms. Agalya Venkatesh enlightened the students with her motivating and thought provoking words. She emphasised on quality work and intelligent efforts. Assembly culminated with a motivational song and an entertaining dance performance by the students of VIII-A.

LIFE SKILLS WORKSHOP

“Folks are usually about as happy as they make their minds up to be.”

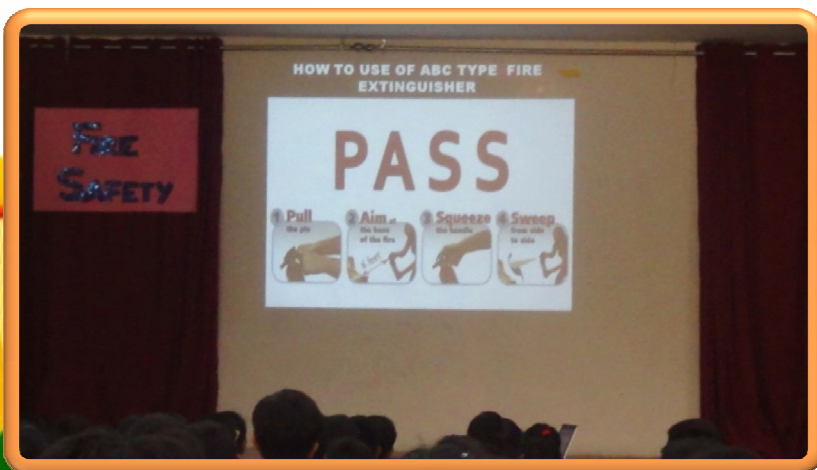

— Abraham Lincoln

Words have the power to change a human being. At the very beginning of the school session, to motivate the students of Class IX-X, MVN Sector-17 organised a dialogue with one of the well-known motivational speaker as well as advocate of the Supreme Court, Shri Ashok Arora. As a Film Maker, Author, Activist as well as the Former Secretary Supreme Court Bar Association, his achievements are innumerable and he seems a being of a superior kind, however, he is very humble in nature. Encouraging the students to be active in the dialogue, he said he liked having “Gup-Shup” with people. He stressed on the very essence of being happy in life. He asked students what makes them not feel happy, and worked out the causes of unhappiness. He stressed on avoiding complexes in life, whether inferior or superior. The students interacted with enthusiasm and added to his points. He made the students pledge that they will be the masters of their own happiness, and said that this was the key to happiness. Larger expectations only make us long for more, and we get unhappy if we don't get what we expected for. One must have aspirations in life, and work hard towards them, but should be ready to move on if he or she cannot fulfill them. He shared his email id and assured them that their 'dost' would always be available to hear from them. He then rewarded students with some books he has published to contribute to the school library. His motivational speech brought a new enthusiasm to the students.

FIRE SAFETY WORKSHOP

Fire Safety workshop was conducted for VI-VIII students to create a safety mind-set amongst the students and emphasizes on simple yet effective fire safety practices. The students learnt about the mechanism of fire formation, fire prevention practices, dealing with different classes of fire and using portable fire extinguishers to fight small fires. Fire safety workshop also touches upon the all important aspect of people's behavior during a fire emergency and the role of teachers and students as a team in such situations.

GOOD PARENTING WORKSHOP

A workshop on Good Parenting for the parents of Classes VI to VIII ,was conducted on 5th may 2018 by the school counsellor Ms. Archana Bapat. The aim of this workshop was to bring the school and the parents together to improve the academic and social success of the students. The parents learnt many skills and strategies to help the children grow in confidence. Parents also learnt how to support children in academics, artistic and sporting endeavours without putting undue pressure on them. The Principal while addressing the esteemed gathering asserted that the principles of life skills that apply on the parents, to groom the students, equally apply on the teachers, for the teachers are like foster parents and the school like a second home and thus both share an equal responsibility.

TRIP TO MCLEODGANJ AND DHARAMSHALA

MVN Sector -17 arranged an outstation trip to Dharamshala & Mcleodganj from 13th May to 16th May for the students of Grades V to VII. The children got an opportunity to explore the hills in Kangra district. The beautiful Dhauldar hills and mountain slopes covered with tall green trees presented a grand sight. Children visited many places like Dalai Lama Monastery, Bhagshu Falls, Bhagshunath Temple and the highest HPCA stadium. The students felt very happy in the lap of nature. The delicious food served at the Royal Palace Resort served as the best cure for starving tummies of our little explorers. The clouds sailing across the sky and snow covered mountains at distance filled everyone's heart with joy. Children returned reluctantly to the scorching heat of Faridabad but with wonderful memories of the trip.

EUROPE TRIP

INTERNATIONAL SCHOOL IMMERSION PROGRAMME

According to the Greek poet & playwright Euripides

“Experience, Travel – these are an education in themselves”.

As a part of wider Learning curriculum, MVN organised an International School Immersion Programme to France. Under this programme, a group of 27 students and 3 staff members left for Europe on June 13, 2018 and attended class room interactive sessions at KINGSWORTH INTERNATIONAL SCHOOL to know more about the traditional learning environment and culture of France.

Subsequently the group also visited countries like Switzerland, Belgium, Germany and Holland. Visiting the iconic places of interest, Savouring authentic cuisines and admiring the architectural heritage sites of these countries the students captured wonderful memories in their cameras.

Good time flies fast and the memorable trip to Europe ended on June 24, 2018. The trip was not only a tremendous learning experience but also an exhilarating one for the students.

MUMBAI TRIP

A group of around 70 students from classes 8-10 escorted by teachers went on a 4 days trip to Mumbai.

In great excitement, the students boarded the Rajdhani Express on 5th June, 2018. Upon arrival and checking into the hotel, the group left to seek blessings at the Sidhivinayak Temple. They also visited Marine Drive, Juhu Beach and Chaupati. The most enjoyable part of the trip was the visit to Essel World and Elephanta Caves. Elephanta Caves hold a great historic significance. Students were enthralled by world Heritage Site and a collection of cave temples predominantly dedicated to Lord Shiva. On 8th June with heavy hearts students boarded the train to Delhi. Besides small mementoes, they carried back magical memories wrapped up in class camaraderie.

A landscape photograph featuring a single tree silhouetted against a bright, hazy sunset sky. The sun is low on the horizon, creating a golden glow. The sky transitions from a pale yellow near the horizon to a soft blue at the top. The foreground is a dark, flat expanse, possibly a field or plain. The entire image is framed by a black border.

**A dream doesn't become reality
through magic; it takes sweat,
determination and hard work.**

Colin Powell
