*When you BELIEVE in yourself ANYTHING IS POSSIBLE.*

*What is impossible? Nothing. We see people come from nothing every day. We see people start off with nothing in their pockets, but before they depart, they've had a world.*

*It's because they could see EXACTLY what they wanted, a long time ago.*

*If you can think and determine in your brain, anything can come to life. If someone else has achieved it before, YOU CAN TOO. And I guarantee you, whatever you seek, there will be a reference of someone achieving it, somewhere on this great planet.*

*FIND the story. MODEL them. Then BETTER them.*

*It matters NOT the colour of your skin.*

*It matters NOT where you were born.*

*It matters NOT the LIMITS of your friends and family.*

*The only thing that matters is YOU and what you BELIEVE IN is possible.*

*Make sure the answer is ANYTHING!*

*Anything IS possible.*

*But only if that is what you BELIEVE IN.*

*SO GET OUT THERE and MAKE A PLAN. When you suffer setbacks and failures: KEEP GOING and LEARN the LESSONS. Everyone going after something GREAT will experience setbacks. You must KEEP GOING. Make the plan BETTER, STRONGER,*

*You were born with a PURPOSE. You were BORN with opportunity. To GROW every day. To become BETTER every day.*
