

MODERN VIDYA NIKETAN SR. SEC. SCHOOL, SECTOR – 17

PRIMARY NEWS UPDATE

(APRIL – MAY 2017)

Dear Parents

Welcome to the first newsletter of the academic session 2017-18 and a warm welcome to the new parents and pupils who have joined our school in this academic session. It has really been a pleasure to see them learning, growing and exploring the new world around them. Together, we are partners in creating a stimulating environment that encourages your children to learn and develop at their own pace.

The children have made a great start to school. It is surely going to be a learning and enlightening period for your child. Abiding by the M.V.N standards, we intend to provide quality education with optimum learning. Learning by doing will be the mode to impart knowledge. Constant motivation for perpetual progress is the need of the hour, so we are striving to provide the best education to our young learners. Thanks to all the parents for your continued support. We hope you find our Newsletters informative but please, never hesitate in contacting us if you have any queries.

Regards

Ms. Rupam

Primary Coordinator

Earth Day is all about appreciating the uniqueness of our planet Earth with its incredible biodiversity. The students of Grade V Aster conducted an assembly based upon the theme 'Earth Day'. Through a wonderful skit they emphasised the fact that the Earth Day should not only be celebrated on 22th April rather each and every day of the year should be celebrated as the Earth Day.

Based upon the theme "POLITENESS", the students of Grade-V Bluebells presented a beautiful assembly. The students won the audience's hearts by chanting the verses of 'Kabir' and 'Rahim'. The students succeeded in their endeavour to convey the importance of "POLITENESS".

The students of Grade V Camellia presented an assembly on the topic 'Conservation of Nature'. They presented thought-provoking quotes, lovely poems and ways to conserve and protect nature. They also presented a heart touching song and a melodious dance.

The students of Grade IV Aster presented a soul inspiring assembly based on 'Gurudev Rabindranath Tagore' and 'Child Labour'. Children sang enchanting poems of Gurudev and spoke about his life and times. A soul stirring song based on the plight of children working as labourers was also presented by the children.

The students of Grade IV Bluebells presented an assembly on the topic 'Happiness'. Shreeya Arya presented a classical dance on Saraswati Vandana. Tanmay Sharma narrated a moral story depicting the real meaning of happiness. The students also presented a short skit which showed that real happiness lies in keeping our parents happy. They also sang a melodious song on happiness.

Mother's Day is the happiest of times and a great opportunity for the mother and the child to strengthen the bond. Every year it is celebrated on second Sunday of May. The students of Grade IV-Camellia conducted an assembly as a tribute to mothers by putting up heart rending performances and expressing their love and gratitude in a unique manner. The assembly started with news headlines and an endearing thought which was then followed by poems on mothers. They made beautiful placards depicting the ingredients of the secret recipe of a 'Home Baked Mom'. The performances were carried forward with a skit showcasing what children can plan the best for their mothers and also prayed to the almighty for their well-being. The assembly culminated with a spectacular song performance. It was also quoted that, 'A mum is forever, not just on Mother's Day'. The efforts of the children were praised by all.

Every year, children eagerly look forward to summer vacation. 'Music & Dance' are the best way of expressing one's emotions. A special assembly was conducted by the 'Music & Dance' department to express children's joy for the upcoming summer vacation.

FIRST DAY IN SCHOOL

The kids enjoyed their first day in school by giving their introduction and meeting new friends and teachers. They all enjoyed doing activities related to the same so that students and teacher might become comfortable with each other. All of them enthusiastically participated in it. It was a fun filled experience for them.

BAISAKHI ACTIVITY

Baisakhi is one of the major festivals of Punjab as it marks the beginning of the Sikh New Year. It is also an ancient Hindu festival marking the spring harvest. The students from Grade I to V celebrated the festival of Baisakhi with great zeal. The main idea behind the activity was to make the children aware of the historical background and significance of the festival.

Grade I - Cards on Baisakhi

Grade II - Colouring Sheet on Baisakhi

Grade - III Poster making

Grade IV - Scare crows using clay dough

EARTH DAY ACTIVITY

Earth Day is an annual event celebrated every year on 22nd April. The children were made aware of the reasons behind the celebration of Earth Day.

Students of Grade II brought peels of fruits and vegetables and deposited them in the compost pit. They were explained how to reuse organic waste as manure.

Grade I - Tearing and Pasting Activity

Grade II - Compost Pit

Grade III – Fridge Magnet

Grade IV – ‘Save Earth’ – A Solo Dance Competition

Grade V – Worksheet on Save Earth

LABOUR DAY ACTIVITY

1st May is celebrated as Labour Day every year. It is the day to honour the everyday workers who help and contribute to strengthen our great nation.

Students of Grade I expressed their gratitude by giving food items to the maids and drivers and also thanked them for their services.

Students of Grade IV involved themselves into a hands-on project of making bags using old T-shirts for the workers in the society.

MOTHER'S DAY ACTIVITY

Mother's Day is a celebration honouring the mother of the family, as well as motherhood, maternal bonds and the influence of mothers in society. It is celebrated on the second Sunday of May in different parts of the country. Our kids also made beautiful jewellery for their wonderful mothers.

Grade II students made beautiful jewellery box for their mothers.

As a token of their love and affection for their mother, Grade III students made 'Mom's Grocery Reminder'.

The students of Grade IV made beautiful Duchess set for their mothers. They took keen interest in decorating their sets to make their mothers feel happy and proud.

A FIRE EVACUATION DRILL

A mock fire evacuation drill involving the students and teachers was conducted for the students of Grade I, II and III by Mr. Suresh. He presented a PPT and a talk on fire safety and instructed the students under the following heads-

- ❖ Fire hazards
- ❖ Classification of fire
- ❖ How to respond during fire
- ❖ Fire equipment's - types and usages

A mock fire drill was conducted for students of Grade III **to create awareness amongst the students about the firefighting techniques and the prompt ways to respond swiftly in an emergency.** The evacuation operation began after the fire alarm alerted the students. The students were asked not to panic and were immediately evacuated from their classrooms. They were instructed to assemble in the assembly area for head count. It concluded with a debriefing session on emergency response teams and their responsibilities.

WORLD HEALTH DAY

World Health Day is a global health awareness day celebrated every year on 7th April, under the sponsorship of World Health Organisation. The importance of healthy eating habits for kids was discussed in class. Healthy eating means eating a variety of foods that give them nutrients they need to maintain good health, feel good and have energy. The role of WHO in creating awareness about health was also discussed.

BIRD FEEDER ACTIVITY

Grade III children enjoyed making Bird feeder as their Thursday activity. All the children actively participated in it. It was a funfilled activity for them.

WORLD FAMILY DAY

Our families are where we experience our biggest triumphs and our deepest vulnerabilities. It is where we learn to love ourselves, give purpose to other's lives and feel the value of being part of something greater than ourselves. To inculcate all these values in our kids, an activity of making 'Family Puppets' was performed by the students of Grade V.

WORLD HERITAGE DAY

Students of Grade V prepared beautiful collages to celebrate World Heritage Day. The collages highlighted the importance of preserving our precious monuments bequeathed to us by our ancestors.

BEAT THE HEAT

It's summer time and to beat the heat the students prepared colourful fans using pastel sheet, laces and scale. They enjoyed doing this activity.

REPRESENTING NUMBERS ON ABACUS

Students of Grade II represented numbers on Abacus. Each child was given a different number. The activity was done to judge the students' understanding of places of digits in a given number.

BUILDING NUMBERS ACTIVITY

Building Numbers was taught using number cards to the students from Grade II to IV. Through this activity the students learnt how to build the greatest and the smallest number using the given digit.

SPECIAL ACHIEVEMENTS

Sparsh of Grade III Aster secured II position in boys U-7 category and Maulik Nehra of Grade V Camellia secured VI position in boys U - 11 category in District Chess Championship 2017.

IIT JEE MAINS RESULT 2017

In keeping with the lofty ideals of the school, which aims at giving wings to every child to realize his/her dream, we have once again succeeded in giving a spectacular result with a **total of 240 students** clearing one of the most prestigious **JEE MAINS EXAMS** 2017.

We are committed to keep your faith you've reposed in us and together with your unstinting support we continue to scale greater heights.

EVENING SPORTS ACADEMY

MVN has always been known for amalgamating the academic & co-curricular skills of its children to enhance the overall persona of a child. Our philosophy is that each and every child is special and should have the opportunity to enjoy sports not only as a recreational activity but also for physical fitness. Playing sports helps in building & enhancing qualities like team-spirit, discipline, self-confidence, time management, competitiveness, becoming focused etc. which ultimately lead to the overall development of the child. The school has started special SPORTS facilities for the children in the evening.

ARYABHATT CLASSES

Aryabhata exam is a prestigious Maths Competition organized every year for class V by Summerfield School Kailash Colony, New Delhi. Special coaching has been arranged during the summer break to prepare these children. The students are trained in a manner so as to develop and polish their mental abilities.

PROFESSIONAL DEVELOPMENT

A dance aerobic workshop was organised on the 18th of May, 2017 for the teachers of MVN School, Sector 17, to bring health awareness amongst them. The workshop was conducted by Mr. Gautam, who is a well-known fitness expert. He demonstrated basic steps of aerobics with their benefits. Teachers followed him with lots of enthusiasm and they enjoyed a lot during the workshop. It was a fun filled learning experience for them.

MVN, Sector 17 organized a workshop on ***'Stress Management'*** on 19.05.17. It was conducted by Mr. Aman Kohli. Rhythmic clapping gave a good start to the workshop. Mr. Kohli urged the audience to live in the present. He gave examples of famous personalities like Dheerubhai Ambani, Amitabh Bachchan , Milkha Singh and Mahatma Gandhi who took problems as challenges. He also said that situations are not stressful, our response makes them so. Stress is created by our mind. It's only a figment of our imagination. He also suggested some ways like meditation to manage stress. It was a great endeavour towards experiential learning.

A workshop was conducted by Ms. Shalini Chablani on 23rd May, 2017 which stated that ***“Disability is a part of human diversity”***. The workshop highlighted about various healing techniques to be applied on children with special needs. She also discussed about the shift in the way of thinking of the community. It was also quoted that problem lies in the environment not with the person. She emphasized on **“Occupational Therapy”** i.e to maximize a child’s independent functioning with every day task. She told us about the various techniques that can be used in the classroom to grab the attention of the students. Overall it was an informative and interactive session.

EXCURSIONS

TRIP TO NAINITAL AND JIM CORBETT

An enjoyable and adventurous trip was organized for the students of IV – V to give a fun filled start to the summer vacation. The cool environs of Nainital and the enriching experience at the Jim Corbett National Park would have definitely left them with memories to cherish for a long time.
