JULY - SEPTEMBER 2019 – 20

Dear Parent

After the much-awaited summer season of holidays and getaways, we welcomed the children back to a session filled with exciting and collaborative activities. The children engaged in all school activities with commendable resilience, confidence and determination.

The fresh spell of showers beckoned us to revitalize and revamp. Rain not only brought hope and confidence but also elevated our spirit of optimism.

The hot and humid months of July, August and September were marked with the first formative assessment besides the joyous celebrations of various festivals. The children reflected patriotic jubilation on the Independence Day, displayed their sibling love on Rakshabandhan and rejoiced the birth of Lord Krishna on Janmashtami.

A Book Week was organized to inculcate in them good reading habits. The students enjoyed the story telling session by Ms Sonia Bareja. It was a week full of fun and learning! They also visited an old age home to show their love and respect for the elderly people. The Ramayana week was not only entertaining but also enlightening. The episodes interspersed with melodrama, songs and dance taught them the moral values which can make us happier and fulfilled in all the ways.

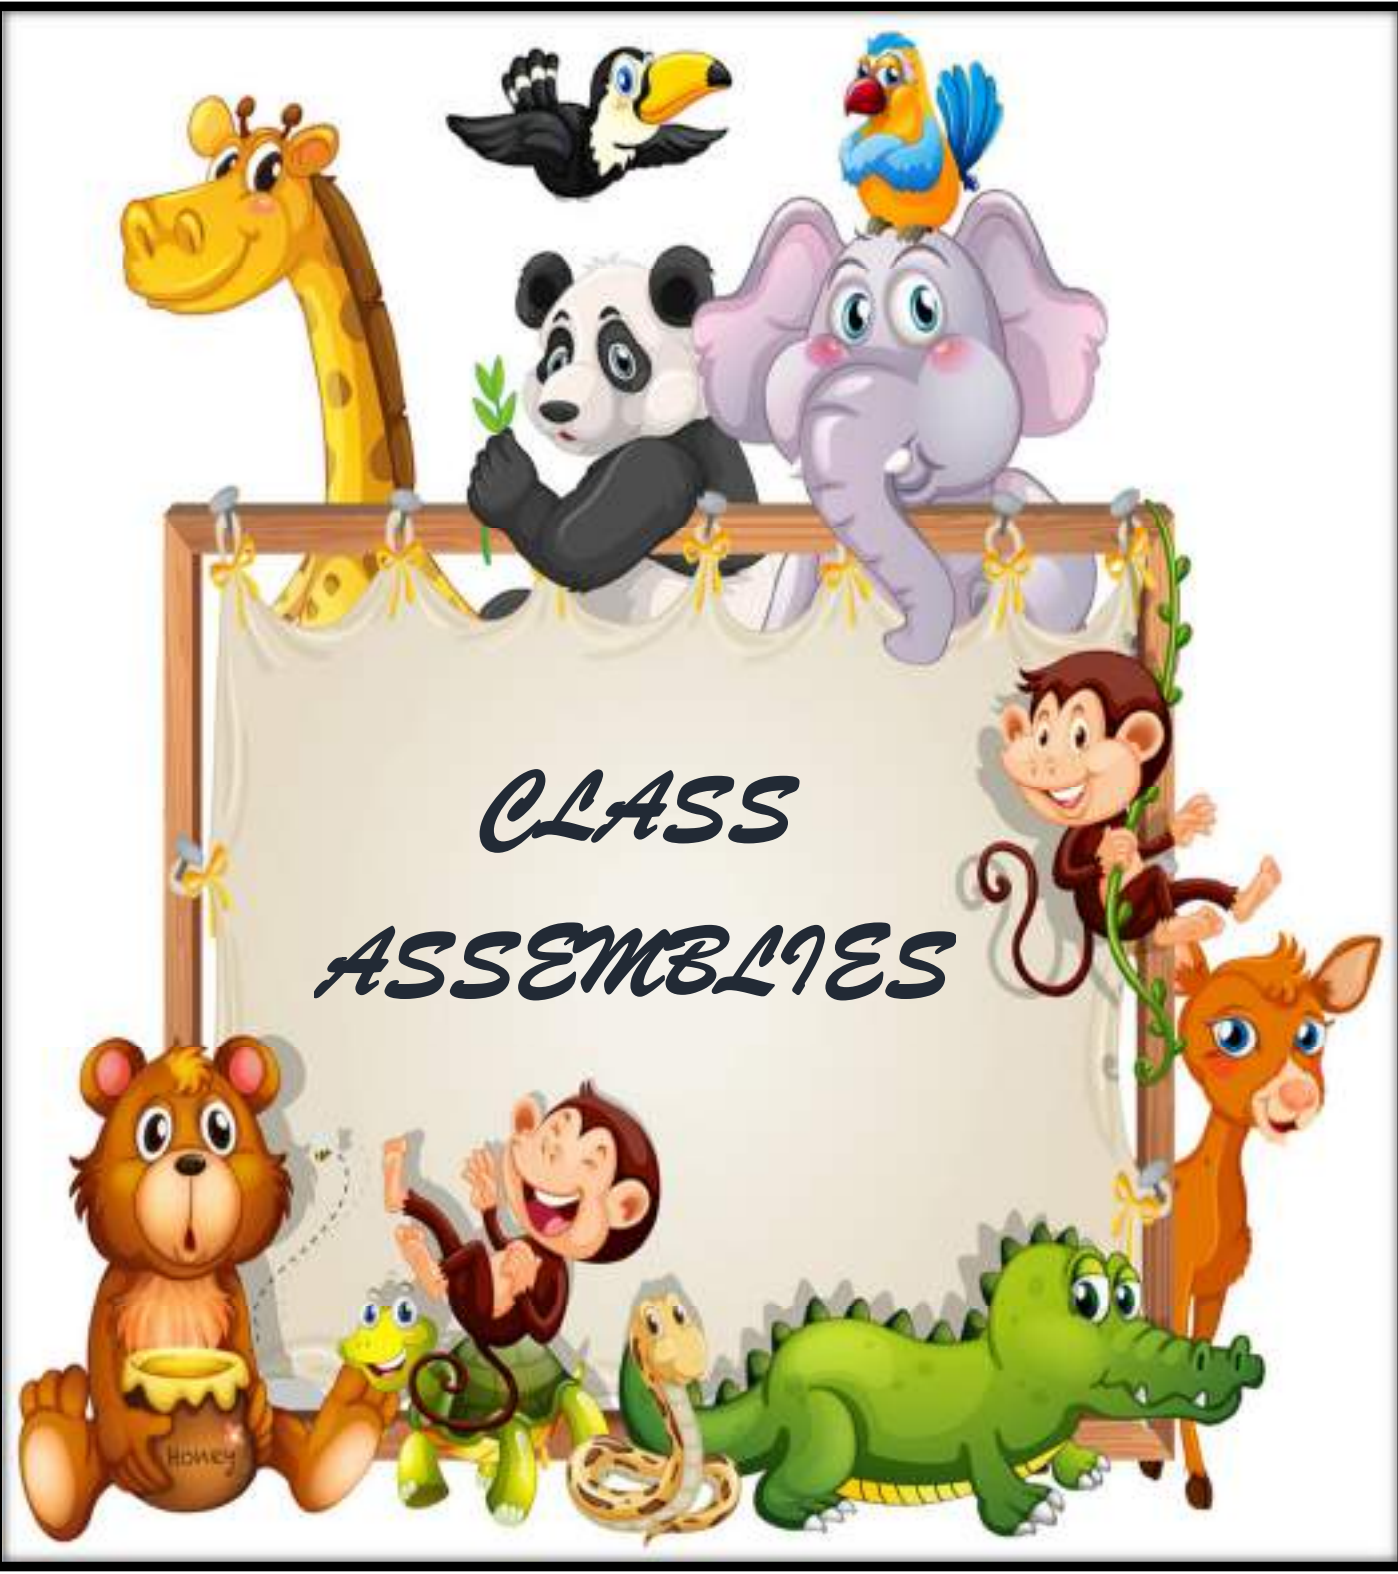

MVNites will once again shine in their First Term Examinations with regular enforcement and utmost care. The examination is over and you all are really anxious for your child to do well. But, tell them, no matter what they score, you love them and will not judge them on the basis of grades. Hence, continuing with the present session, we shall waste no time in embarking on our journey for excellence in academics and co-curricular activities. We look forward to a year in which all our students will experience success and march ahead with perseverance and persistence.
