We are grateful to the Parents who have already paid the School Fee, as their thoughtful gesture has given us strength to move towards our goal even in this adverse circumstance. We ensure those Parents that the surplus amount paid by them will proportionately be adjusted in forthcoming payments.

The Parents those who have still not paid the School Fee are kindly requested to deposit the fee for the months of April & May 2020 as per the notice sent through mail Dated: 09.05.2020 using the Online mode of payment as mentioned above.

Appreciate your sincere cooperation for making this matter a priority.
