## SPORTS ACHIEVEMENTS

Sports play a pivotal role in shaping a child's personality. It not only helps to foster the spirit of healthy competition among students but also helps in reducing stress. Participating in various sports and games helps in rejuvenating the students and also makes them susceptible to new ideas.

Hence, special training programs are individually developed keeping in view the abilities, talent, and potential of every child. Regular special sports sessions are organized in the morning (before school time) to provide coaching and specialized training to the students in various sports. The sports faculty, here, comprises highly qualified and experienced instructors whose constant endeavour is to develop the finest sportspersons and teams that can win laurels for the school and the country. All these initiatives help the students excel in various District, State, National and International Level Tournaments.

## CO-CURRICULAR ACHIEVEMENTS

The core aim of education is to foster an all-round development of the child. MVN's co-curricular activities supplement its academic curriculum and help in learning by doing. These activities help students to develop problem-solving, reasoning, critical thinking, creative thinking, communication, and collaborative abilities. They foster social integration, increase their self-confidence and teach them to follow their passion. Co-curricular activities aid and assist in the holistic development of students and support in developing critical skills and abilities to be successful and happy in 21st Century life and workplaces. MVN continues to set benchmarks in education, guiding students both in Scholastic and Co-scholastics domains and strikes a right balance between curricular and co-curricular activities to groom the students in the 'Art of living and working together'.
