

APR – JUN 2019

MVN TIMES

**MAKE EACH DAY YOUR
'MASTERPIECE'**

THE MASTERSTROKE

We have already crossed the threshold of the session 2019-20. It's not just the beginning of the new academic year but also a platter of new opportunities and challenges. In order to be successful and to make each day an accomplishment one must combat all the challenges and encash the opportunities.

For the achievement of meaningful goals, our mind and soul must be painted by the masterstrokes of virtues. The whole cluster of virtues has the ability to design a bright future.

Virtue, by definition, is the moral excellence of a person. A person who is disciplined, honest, respectful, hardworking and kind will always act according to values and principles. These values and principles then become the rungs of the success ladder that help us to move to the topmost position and widen the horizon of attainment.

This academic session wishes you, the power of virtues, understanding of wisdom, heights of excellence and a window of opportunities, sail in the ocean of blessings and soar high in the sky of triumph .Keep practising the masterstrokes and make each day of yours a masterpiece!

Nimmy Phileman

SPECIAL ASSEMBLIES

We are what we repeatedly do. Excellence, then, is not an act, but a habit.

–Aristotle

In order to achieve excellence in all that we do, the school often conducts assemblies which help to inculcate values among our students and to facilitate them in bringing out their talents.

BAISAKHI CELEBRATIONS

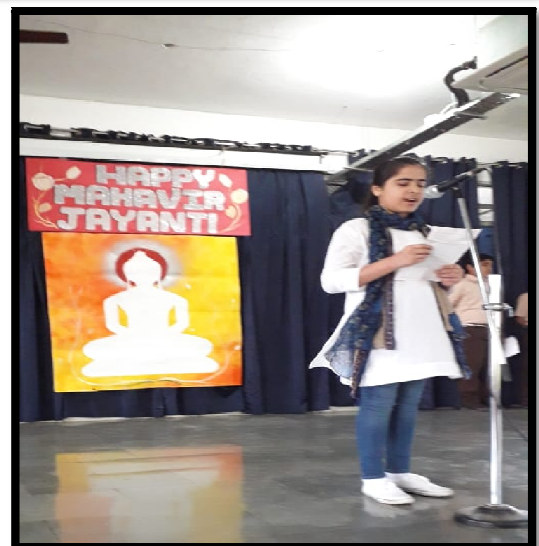

Baisakhi, celebrated as 'Sikh New Year', is a significant day in the Indian calendar. The spirit of the Baisakhi was well captured by the students and teacher of Class VII A as they presented the Assembly on 10th April 2019. After delivering the news and thought of the day, the class choir gave a spellbinding musical performance which mesmerized the audience. To add to the festivities, students presented a 'Bhangra' dressed in colourful attire. The Assembly was well received and thoroughly enjoyed by all.

MAHAVIR JAYANTI CELEBRATIONS

An assembly, on the occasion of Mahavir Jayanti was presented by the students of Class VII B on 17th April 2019. The teachings of 'Bhagwaan Mahavira' were taught through an effective drama presentation. The students presented the idea of non violence and its dire need and relevance in the contemporary world. Living in peace and harmony is the basic requirement of blissful lives. The concept of equality is at the core of non violence. All living beings have an equal right to lead a peaceful life. The children presented inspiring speech , poem and a devotional song. The assembly culminated with a quiz based on biography and teachings of Lord Mahavira and a formal address by the coordinator.

HONESTY IS THE BEST POLICY

No legacy is as rich as honesty and to pass on the same, an assembly on the theme 'Honesty' was presented by class VII-C on April 22, 2019. The songs and plays sprinkled the essence of 'trust', 'truthfulness', integrity' and 'ethics'. The skit truly explained the importance of being honest and truthful. Though sometimes the path of truth is long and full of obstacles but an honest person always commands respect in the long run. The students exhibited immense confidence and inspired everyone to be honest and never concoct stories to cover up the lies. Through this wonderful assembly students learnt the virtues of honesty and sincerity by keeping corruption and foul practices at bay.

LABOUR DAY

May 1, 'Labour Day' was celebrated by the students of Class VI A by conducting a special assembly to give a much deserved tribute to the positive contributions of the workers who add to the strength, prosperity and well being of the country. A well scripted skit was showcased highlighting the value of dignity of labour and contribution of each individual in shaping up the society. The assembly concluded with a mesmerizing dance performance.

MOTHER'S DAY

*“Youth fades; love droops; the leaves of friendship fall;
A mother's secret hope outlives them all.”*

—Oliver Wendell Holmes

Mother is the backbone of a family. They provide the holding place for everyone's feelings and do their best to keep us from being hurt and make society a peaceful place to live. The students of Class VI B were successful in bringing in the heart warming feelings of gratitude and appreciation towards mother through their performances on the 'Mother's Day' on 7th May 2019. The occasion celebrated maternal love and the children pledged to be careful towards their duties for mothers. The students presented a melodious song as an ode to all the mothers and recognised the efforts of maternal commitment.

BEAT THE HEAT

Blistering summer days are always a reason to sweat and complain. The summer sun in most places in India has the power of sapping out your energy and leaving you tired and irritable. Sitting all the time in an air conditioned room is not an optimal choice. There are several simple and natural measures that one can take to beat the searing summer heat. Students of Class VI C showcased their assembly on the same theme on 14th May 2019. Tips to stay fit in scorching heat were well explained through speeches, poems, skits and dance performances. The assembly culminated with a vibrant dance as the most awaited long summer vacation was about to begin.

EARTH DAY CELEBRATION

The students of grade IX and X, set an example for the onlookers on the streets when on Earth Day; they went out in the market area and picked up the garbage lying on the road to clean the market premises, spreading the message of maintaining and promoting cleanliness. The effect was such that a few shopkeepers and pedestrians also joined them in the cleanliness drive. Thereafter, the students of grade VIII planted saplings in and around the school premises, They even watered them and vowed not only to take care of them but also to plant more trees. The event didn't end here as the young ones from grade VI and VII got engaged in compost making. Various other activities such as Making Best out of Waste, Poster making and Slogan Writing added purpose to the event. All the activities held on Earth Day demonstrated the students will and support for Environmental Protection.

COMPOSTING AT SCHOOL

A STEP TOWARDS CLEAN AND GREEN FUTURE

MVNites, with the help of its dedicated parents piloted the initiative of 'Compost Making' through zero waste concept. It is a step forward towards managing bio-degradable waste (mainly Kitchen waste). Students are asked to bring Kitchen waste once in a week to school where, they learn and are encouraged to start 'Home Composting'. As part of this initiative students are inspired to convert kitchen waste into organic manure. All bio waste including vegetables and fruit peels, garden trimmings can be converted into manure for plants. This endeavour will sensitize people to come forward and engage them in the common cause for environment. Future citizens of India have realised that 'Kitchen Waste' recycling and generating resources out of waste in our house is an opportunity for every individual to reduce waste and in turn convert it into an eco friendly bio-product.

AWARD CEREMONY...

A special assembly was organised to confer Certificates of Merit to the students who excelled in Academics and secured 90% and above in aggregate in Classes - VIII & IX (Session: 2018-19). Speaking on the occasion, the Principal, Ms. Agalya Venkatesh congratulated the students and motivated them to excel in all fields.

MUSSOORIE-DEHRADUN TRIP

Mussoorie is called the Queen of Hills and also has been referred as 'Summer Refuge' since British time. The students from Class IV to VII were taken on a trip to Mussoorie-Dehradun on 17th May' 19. Children explored the plentiful delights of Himalayas. 'Gun Hill Point' was one of the major adventures. Shopping on the Mall Road Mussoorie was followed by light music and dance at hotel. Visit to Company Bagh in Mussoorie was equivalent to visiting the valley of flowers. The wide variety of flowers offered a visual treat to the visitors. Buddhist Monastery in Dehradun is truly praiseworthy and is one of the magnificent monasteries in India. For many students visiting FRI was a dream come true. Everyone returned after a perfect holiday amidst the tranquil hills and untouched nature. This holiday experience is really an unadulterated one in its true sense.

KULLU - MANALI TRIP

A five day trip to Kullu-Manali, was organised for the senior students, from June 4th, 2019 to June 8th, 2019. 150 enthusiastic students from Class XI and XII welcomed their summer vacation as they undertook their overnight bus journey to “Adventure Camp Site”. Students explored the Mall Road and enjoyed shopping. After a treat of light music & dance soiree followed by bonfire, they welcomed the next day with Surya Namaskar, rock-climbing, river-crossing, rappelling and hiking. Visit to Parasha Waterfall and Jagatsukh Temple, helped them feel fresh and invoke divine blessings. Excited students flocked the Kullu handloom store and bought souvenirs for their family members and friends. It was a memorable experience for one and all.

BENGALURU , COORG AND MYSORE TRIP

Summer Vacation is eagerly awaited by all specially the students as it is also the time the school trips are organized. This year too was no different, as the students of Classes VIII, IX & X embarked on a five day trip to BENGALURU, COORG AND MYSORE from 3rd June - 7th June, 2019. The educational trip combined the benefits of historical sight seeing, discovering achievements of Modern India and eco tourism.

Students visited Tipu Sultan's palace, Mysore Palace and Museum, Kemp Fort, Vishweshwara Science museum and Bidhan Soudha at Bengaluru. Coorg was refreshingly different from the hustle and bustle of city life. Students enjoyed nature walk and spent a day in the lap of nature visiting Dubare Elephant camp, TalaKaveri and also the famed Brindavan Gardens enroute to Mysore.

A remarkable highlight of "Amazing India" is that the entire country is dotted with places of religious significance and down South is no different. The students visited Namdroling Monastery, Nandi bul temple at Chamundi Hills and St. Philomena church and ofcourse no vacations complete without a shopping excursion and an evening was spent both in Bengaluru and Mysore buying souvenirs and knick knacks for the near and dear ones.

After spending blissful five days with friends and visiting new places, the students came back on 7th June rejuvenated, satisfied, happy and yearning for more such opportunities and clamouring in unison.

INNERVE MUN 2019

Modern Vidya Niketan INNERVE MUN (Model United Nations) 2019 provided a stimulating and enlightening experience to the young leaders and global citizens of tomorrow reinforcing the message of a peaceful and equitable world.

More than 20 reputed schools and 250 delegates - students of Classes VI - XII became a part of INNERVE MUN Conference held on 24th and 25th of May 2019 at MVN School, Sector-17.

This academic activity not only aims to sensitise the participants to the contemporary world issues but also contributes towards upholding global cooperative spirit.

THE BRAVURA

AIMING AND ACHIEVING IS OUR MOTTO AND TRADITION !!

With immense sense of exhilaration, we present the path breaking achievements of the school and its students to you.

MVN SHINES AGAIN!!

Congratulations to the students...

A Stellar performance by MVN students in KVPY 2018-19.

16 MVNites once again write the script of success in Kishore Vaigyanik Protsahan Yojana Fellowship Award.

The exemplary performance of our students in the class X and XII Board Examination has once again set a bench mark. We congratulate all our toppers and wish them a very bright future ahead.

WORKSHOPS

CYBER SAFETY

Class VI students witnessed an informative session on Cyber Security Gaming and its effects by the Computer Expert Ms. Babita Yadav. She gave an informative session to Class IX students as well, on Internet and the safe ways of surfing the Internet. The sessions gave the students an in-depth knowledge about virtual safety and avoid being a victim to cyber crime.

EMERGING AVENUES IN LAW AND COMMERCE

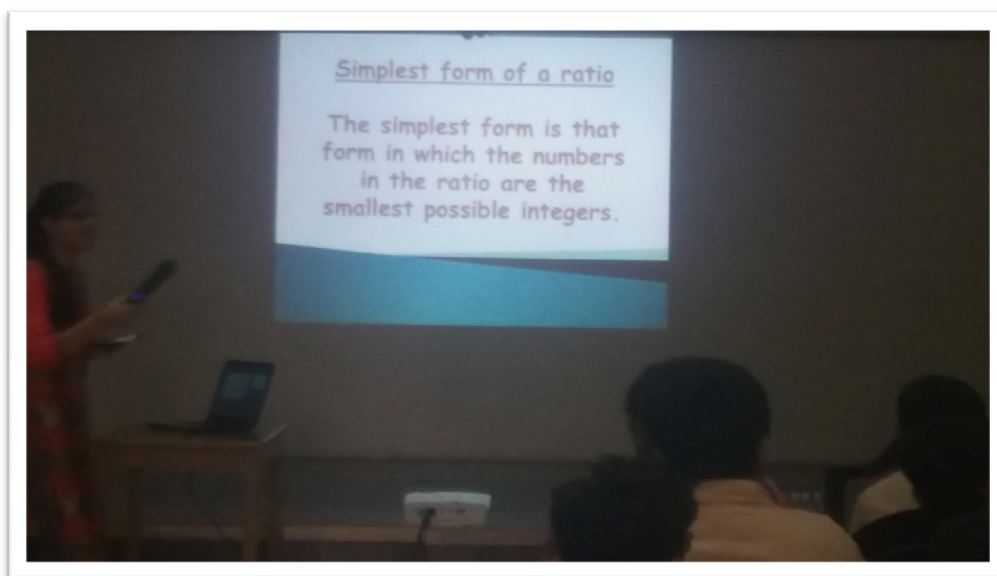

A workshop on 'Importance of Law' was organized on 22nd April by Dr. Anu Mehra Behl on the topic PIL. It was a highly interactive and interesting session for students of Classes XI-XII Commerce.

The students understood the importance of law in life under her guided supervision in the session. Students learnt about ways to secure justice in day to day situations. She made the students understand that Law is approachable to all.

MATHS – MADE INNOVATIVE

Ms. Rashi, a renowned educator, took an interesting session on 'Ratio & Proportion' for the students of Class VII. The students found the methods and tricks quite impressive and helpful. The students participated in various activities. The mental maths puzzles intrigued the analytical skills of students. Students were exposed to innovative methods for making Mathematics interesting and easy so that they can learn it in a play way manner.

CHEMISTRY IMPACTS EVERYDAY LIFE

A workshop for Class XII students on 'Advanced Chemistry & its Future Prospects' and 'Synthetic Fibres & Plastics' for Class VIII students was conducted by Mr. Mohit Sanduja, who is an expert Chemistry faculty at MVN University. The students were explained about the fibres and their composition and uses. The other prospects of artificial fibres were also discussed. The students were shown a Power Point presentation related to pollution caused by plastics.

THE WORLD OF OPTICS

The workshop focused mainly on the various phenomenon that are involved in various optical related material. The mentor 'Ratna Sen' helped the students to understand the concept by helping them to visualize the phenomena using videos, PowerPoint presentation and practicals.

The students were amazed to experience it in reality along with the understanding of the topic. Dr. Ratna Sen also explained those concepts that the students will study in higher classes which helped the students to create a platform for future study.

CLASS ROOM MANAGEMENT WORKSHOP

A workshop on Classroom Management was organized on 27th May. It was a highly interactive and interesting session for teachers of Class I to VII.

Mr. Aman Kohli from 'The Times of India' provided an insightful experience to the teachers. The workshop was designed to provide innovative techniques to improve classroom management and performance of the students. He discussed the different ways in which verbal and nonverbal communication plays a vital role in effective teaching. The training highlighted the multifarious listening behaviours demonstrated by students in the classroom. An observant and vigilant teacher can support her students on becoming an emphatic listener. It was an awesome experience which benefitted the teachers to become more productive and coherent.

EMOTIONAL INTELLIGENCE

Frayed tempers and tempestuous minds are the hallmark of modern times . In order to bring direction to and guidance to the staff members , MVN organised an emotional intelligence workshop on 29th May at MVN Aravali Hills. The workshop focused on ways to become emotionally aware about our surroundings and people around us and reciprocate in a balanced and organized way. The teachers learnt to recognize, address , inspect and nurture their emotions under the watchful guidance of Ms. Shalini.

ART AND SCIENCE OF COMMUNICATION

Ms. Archana Bapat, Counsellor at MVN schools took an informative session with all the faculty members of MVN schools on Art and Science of Communication at MVN Aravali Hills on 30th May. The faculty members began with a questionnaire followed by a drawing activity 'Jane Kya Tune Kahi' which highlighted the importance of effective communication. The teachers had an enjoyable singing activity followed by a presentation on body language.

SUMMER CAMP

MVN planned a host of activities to keep children engaged during the summer vacation to hone the artistic skills of the children at the same time improving their physical fitness. The summer camp ended up with a spectacular show and exhibition. Students presented a beautiful medley of songs, swayed to foot tapping numbers and displayed it amazing gymnastics moves. The exhibition unveiled beautiful dot paintings, glass paintings besides cute Sharks, crowns, dolls and rabbits of paper. The children bid adieu to the camp with the song in their heart and many memories in their eyes.
