EDITION – IV

(JANUARY-MARCH 2020)

*Success is where preparation and
opportunity meet.*

Dear Parent / Student

As this academic session is getting over, we express our heart-felt gratitude towards God Almighty for granting us the opportunity to influence so many young minds and contribute in their life learning in such profound way.

There is always a new beginning with every ending and the new beginning gives positivity, hope and enthusiasm. At this point when the whole world is going through tough times, we @MVN are committed to make our students not just academically competent and emotionally strong but also enrich them spiritually by nurturing their SQ (spiritual quotient).

Quality is never an accident. It is always a result of an intelligent effort. We at MVN believe in honest and genuine effort and the same we expect from the parents of our students. Performance comes from passion and not from pressure. A passionate student with access to resources is almost unstoppable. As our students are climbing the ladder of academics, we need to teach them to be passionate about their success. The goal should be learning. Success is not easy, distractions are plentiful but opportunities are boundless.

Let us all work together to help our students create their magic, identify their zone of genius and write their success stories.

Amen!

SPECIAL ASSEMBLIES

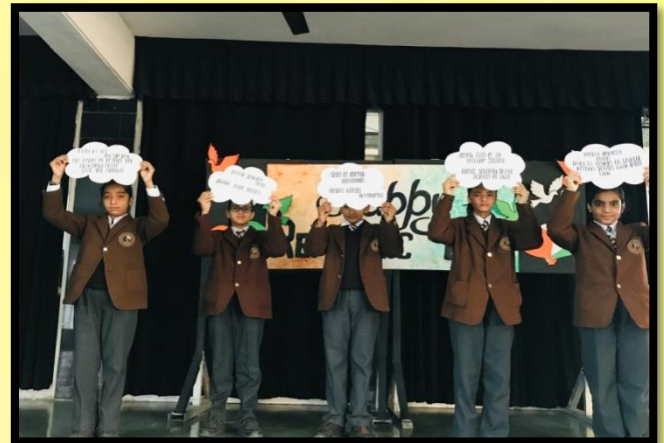

We are what we repeatedly do. Excellence, then, is not an act, but a habit.

REPUBLIC DAY CELEBRATIONS

Every year we, at MVN, reaffirm our loyalty to our country, acknowledging the sacrifices by our unsung heroes, and rededicate ourselves to building a stronger and better India, an India of our dreams, built on the sweat, toil and aspirations of millions of Indians in villages, towns, metros and across the length and breadth of our country.

Our school celebrated India's 71st Republic Day with great eclat. The students took pride in glorifying and celebrating the spirit of unity. The flag that is symbolic of independent India was hoisted with great enthusiasm and reverence by our respected Principal Ma'am. In awe with its glory, the fine assemblage of students saluted the unfurled flag and sang with pride 'Jana Gana Mana'. The students showcased the diversity of cultures and traditions in India. Soaked in the spirit of patriotism, the assembly culminated with the song 'Vande Matram'.

SURAJKUND INTERNATIONAL CRAFTS MELA

The students of Classes VI-VIII presented a beautiful dance performance at Surajkund International Craft Mela, on 11th Feb, 2020 on Save Environment.

To foster all round development and to get an insight into the effects of Climate change, students of MVN, Sector-17 presented a Nukkad Natak on the stage of Surajkund crafts Fair on 11th Feb 2020 on Save Environment.

The objective of this performance was to spread awareness to the masses to conserve Nature for their own survival and for generations to come. The students rendered an enthusiastic and zealous performance.

THE BRAVURA

AIMING AND ACHIEVING IS OUR MOTTO AND TRADITION!!

With immense sense of exhilaration, we present the path breaking achievements of the school and its students to you.

Congratulations!
