SENIOR

Edition – IV

January- March 2021

School NEWS

*The only way to achieve the
impossible is to believe it is possible*

Dear Parent

*Only as high as I reach can I grow,
Only as far as I seek can I go,
Only as deep as I look can I see,
Only as much as I dream can I be.*

The whole purpose of education is to turn mirrors into windows. At MVN we do just that, we create windows through which the child sees the world, feels the impact and flies with courage to shape the world of their dreams transforming the world.

For us, children are the priority, change is the reality and collaboration between the students, parents and the management is the strategy.

Almost exactly one year ago, the pandemic caused closure of school and university . The schools, the biggest learning centres came to a pause. The school which is an incarnation of self respect, love ,affection, sensibility and responsibility genuinely trains a child to exhibit the best, despite unfavourable conditions in the world.

We appreciate, applaud and foster the fine blend of sensibilities in every child. We wish that this would spur higher growth and enterprise in children.

As we approach the end of another busy year, I would like to take this opportunity to thank you for the support you have given both to your child and to the school. It is hard to believe that the end of the school year has arrived! There is a tremendous sense of triumph. So many things have been accomplished this year, despite all odds. Our students have been involved in an extraordinary number of activities from class assemblies to Olympiads and competitions at various levels, it was a year of credits and admiration. Of course, we can not forget the incredible academic learning and assessment which has taken place equally well this year. Throughout all of these activities our students have demonstrated great character!

The herculean task of completing the session successfully will have not been possible without a sincere support of parents and children. We appreciate the ever enthusiastic children and tireless parents, who unhesitatingly had put their oars into turbulent waters to ensure a smooth sail, through out the year.

Individually and collectively, let's keep working to serve the cause of education, for the betterment of the coming generation so that they live in a world where, knowledge is free and the head is held high. Let our students grow as the generation of eminent thinkers and wise planners contributing to a better world. That exactly is our wish and our dream too

Bhavna Kapoor
TGT English

FROM THE COUNSELLOR'S DESK:

Celebrating the Resilience, Creativity and Courage

As we are moving towards the end of this extraordinarily challenging academic session, it is time to celebrate the resilience, creativity and courage we all have displayed to sail through the tough times. This year will serve as a reminder for all of us where we have risen up to the enormous challenges and responded with resilience which was possible because of our unshaken commitment. We all learnt that although we cannot control the challenging and alarming environment, we can adapt to the situation and strengthen ourselves to cope better with the adversity that comes our way. We all did more with less which made all the difference.

Do you know which skill of our personality helped us sail through these times successfully? It is Resilience. Undoubtedly, resilience is the skill of the year 2020. There is no other skill in the world but resilience that is going to help us deal with sudden change, chaos and uncertainty that we are exposed to.

We all change and grow best in the face of adversity. We truly reach for that grit when we feel weak. We challenge our identities when hardship strikes and we test our boundaries for resilience when something terrible happens all of a sudden. To survive the storms of life, we need to be flexible not rigid so if we bend, we won't break. This is what resilience is all about. It is the super power inside all of us.

How to become resilient? Can we learn resilience? Yes, we can! Resilience is a skill which can be learnt just like any other skill, for example riding a bicycle. The more we practice it, more resilient we become.

Developing resilience is a personal journey. Ponder over following points to develop resilience in your personality:

1. Accept that change is a part of life. Acceptance immediately gives you clarity.
2. Avoid seeing crisis as unsurmountable problems. Take them as opportunities to learn and grow.
3. Keep things in perspective. Avoid blowing the event out of proportion.
4. Maintain a hopeful outlook. Look forward because that is where you want to go.
5. Take decisive actions. Only action can change the situation.
6. Make connections. A support system is very important.
7. Move towards your goals. Sometimes even a small progress matter.
8. Take care of yourself. Give yourself time and space to bounce back to life.

Accept the new realities of the times and be resilient to create a wonderful life!

With Best Wishes,

ArchanaBapat

STUDENT COUNCIL

2020-21

"Leadership is not a position or a title, It is action by example."

Leadership and learning are indispensable to each other. Learning for life and a tireless striving towards excellence form the very ethos of MVN, 17. The institution is committed to sculpting leaders of tomorrow devoted to the welfare of all. In keeping with the spirit, the school constitutes Student Council in every session. Student Council acts as a bridge between the teachers and students ensuring coordination and effective functioning of various school bodies and provides a platform to the budding leaders to hone their leadership skills and organizational abilities.

We hereby proudly present the luminous Student Council - 2020-21.

SPECIAL ASSEMBLIES

We are what we repeatedly do. Excellence, then, is not an act, but a habit.

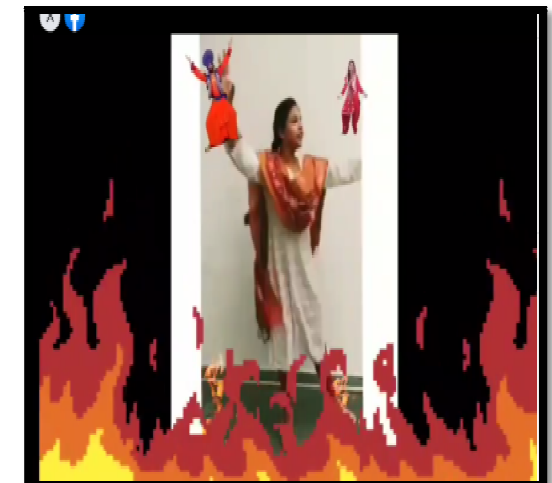

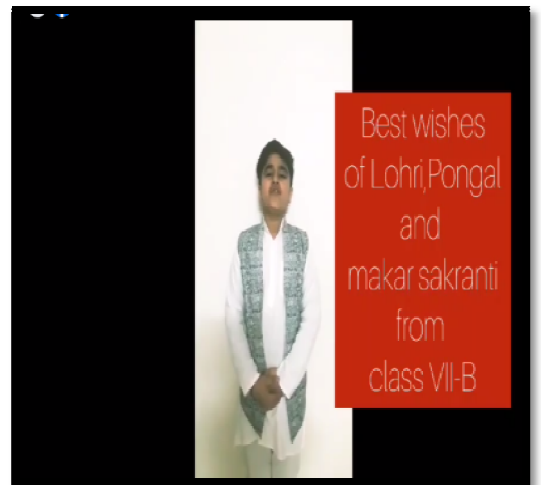

—Aristotle

Lohri and Makar Sakranti -the mid-winter festivals,that mark the transition of the sun during winter solstice in the northern hemisphere were celebrated with joy,enthusiasm and vigor by Middle Wing students.

Students of Class 7 presented an extravagant show of festivity on the occasion.The audiences were enlightened with stories of significance, legends and popular beliefs associated with Lohri and Makar Sakranti. The children dazzled the stage with melodious singing and colourful Bhangra performance.

Digital platform was no barrier to spread euphoria and celebration among audience.The assembly culminated at a happy and exuberant note.

REPUBLIC DAY CELEBRATIONS

The new constitution of free India came into force with effect from 26th January, 1950. India was a colony of the British for over 200 years and became independent from the rule of the British Raj following the Indian Independence movement. President of India hoists the flag at Rajpath every year which is followed by a colourful parade showcasing the diversity of the country and military power.

The students of Class VII A celebrated Republic Day with great pomp and show, zeal and spirit in online virtual assembly. They showed their patriotic fervour through speeches, poems, songs and dances. The spirit of Republic Day was captured by students by focussing on the essence of each letter of the word.

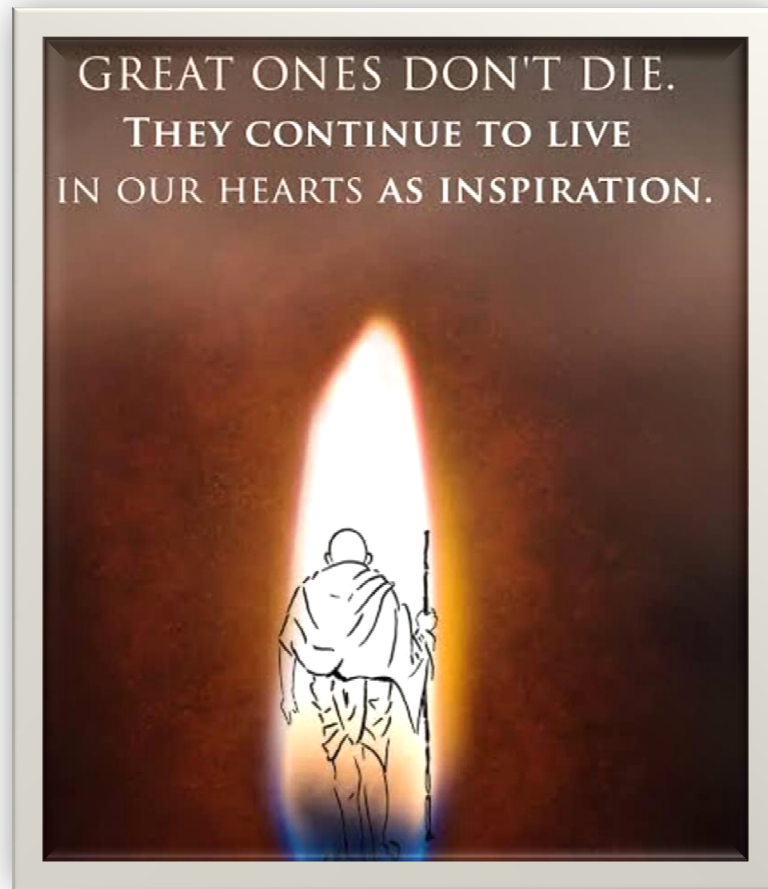

All the students enthusiastically sang the National Anthem of India.

Allegiance towards Tricolour and mother land suffused the nationalistic euphoria.

among students.

MARTYR'S DAY

Martyrs' Day is observed every year on January 30 to mark the death anniversary of the Father of the Nation Mohandas Karamchand Gandhi, popularly known as Mahatma Gandhi or Bapu.

Mahatma Gandhi, the torch-bearer of India's struggle for freedom was revered by everyone for his non-violent approach against the British Raj.

The students observed two minutes silence at 11.00 a.m. in order to pay their respect to the father of the nation and all the Martyrs who laid down their lives for the freedom of our country.

With an objective of apprising students about the importance of Martyrs' Day and the significance it holds for Indian citizens, their mentors enlightened them with the ideology of the 'Mahatma' who gave the message of selfless love, sacrifice and humanity which is the guiding light for generations to come.

So, let us salute all the martyrs for the sacrifices they made and take a pledge to walk on the path of truth and non-violence.

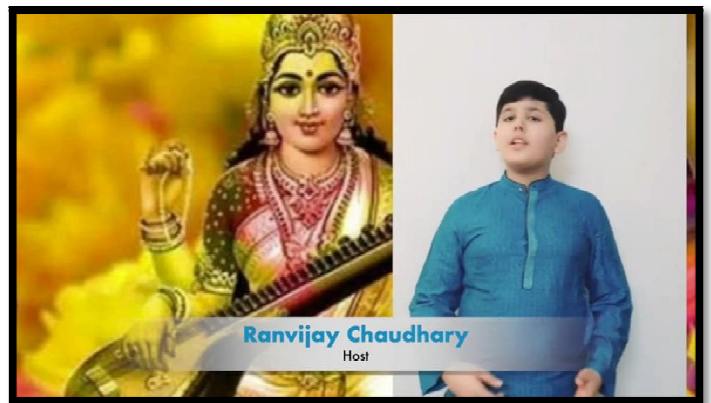

BASANT PANCHAMI CELEBRATIONS

"Basant Panchami" marks the advent of the spring season and is also celebrated to worship Saraswati, the Goddess of knowledge and wisdom. This day was celebrated with great fervour and enthusiasm.

The students of Class VI & VIII presented a vivacious and informative assembly on the auspicious occasion. The celebrations commenced with a prayer invoking the blessings of Goddess Saraswati, the Goddess of knowledge. Dressed in radiant shades of yellow, the colour of the day, the students spread their radiance through various presentations. The students were apprised about the importance of the festival through story narration and poems. Welcoming the spring season, a dance number was also presented paying homage to the Goddess of knowledge.

The teachers motivated the students to dispel the darkness of ignorance and spread the resplendence of knowledge.

CELEBRATING HEROES

“A hero is an ordinary individual who finds the strength to persevere and endure in spite of overwhelming obstacles.”

The year 2020 brought bundles of challenges for the whole world, but there have been heroes who safeguarded us from this pandemic. Class VI presented a spectacular assembly as a tribute to our Unsung Heroes of 2020. An impressive role play was put up by the students which showcased serious and commendable efforts put in by our doctors, nurses, policeman, bankers, essential commodities suppliers, NGOs and cleanliness workers in different walks of life. Students also highlighted the contribution of different organization like World Health Organisation, United Nations and World Food programme which extended their helping hands to the people in need. Indian soldiers were also commemorated for their exemplary sacrifices made at Galwan valley. A big salute to the real heroes of 2020.

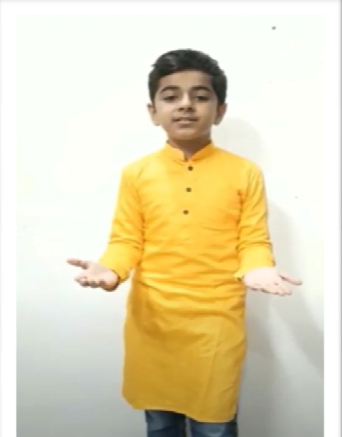

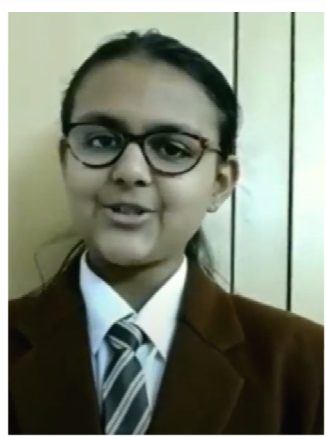

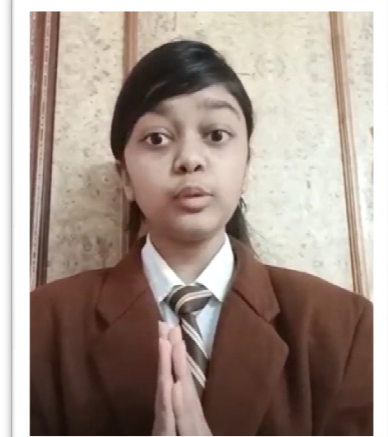

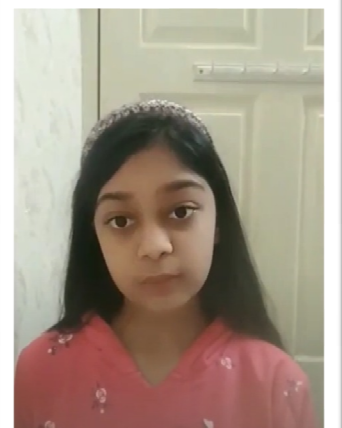

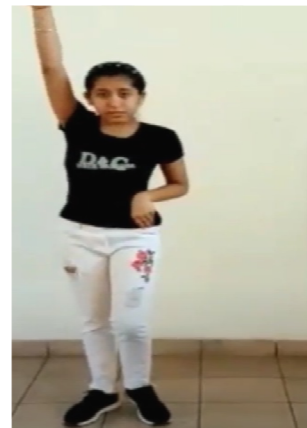

TIME AND TIDE WAIT FOR NONE

The above proverb holds immense significance in a student's life. As it shapes young minds into the sense of duty & directions of the discipline. It is said that "If you can't manage your time, you won't be able to manage any other part of your life."

Learning how to manage time while using every single minute to gain something sets you up to the ladder of success.

It is rightly said that, "Life without discipline is just like a ship without radar". We all know that students are the future assets of the nation. Discipline lays a good foundation of being selective, independent, punctual, focused, encouraged & organized in life. Self-discipline is very important that lies in inhibiting our headlong desires and passions.

Understanding the importance of the above, the students of Class VII presented an assembly to enlighten their peers about the importance and the ways of exercising self-discipline and time management in one's life.

FOUNDER'S DAY

“Education is not preparation for life; Education is life itself.”

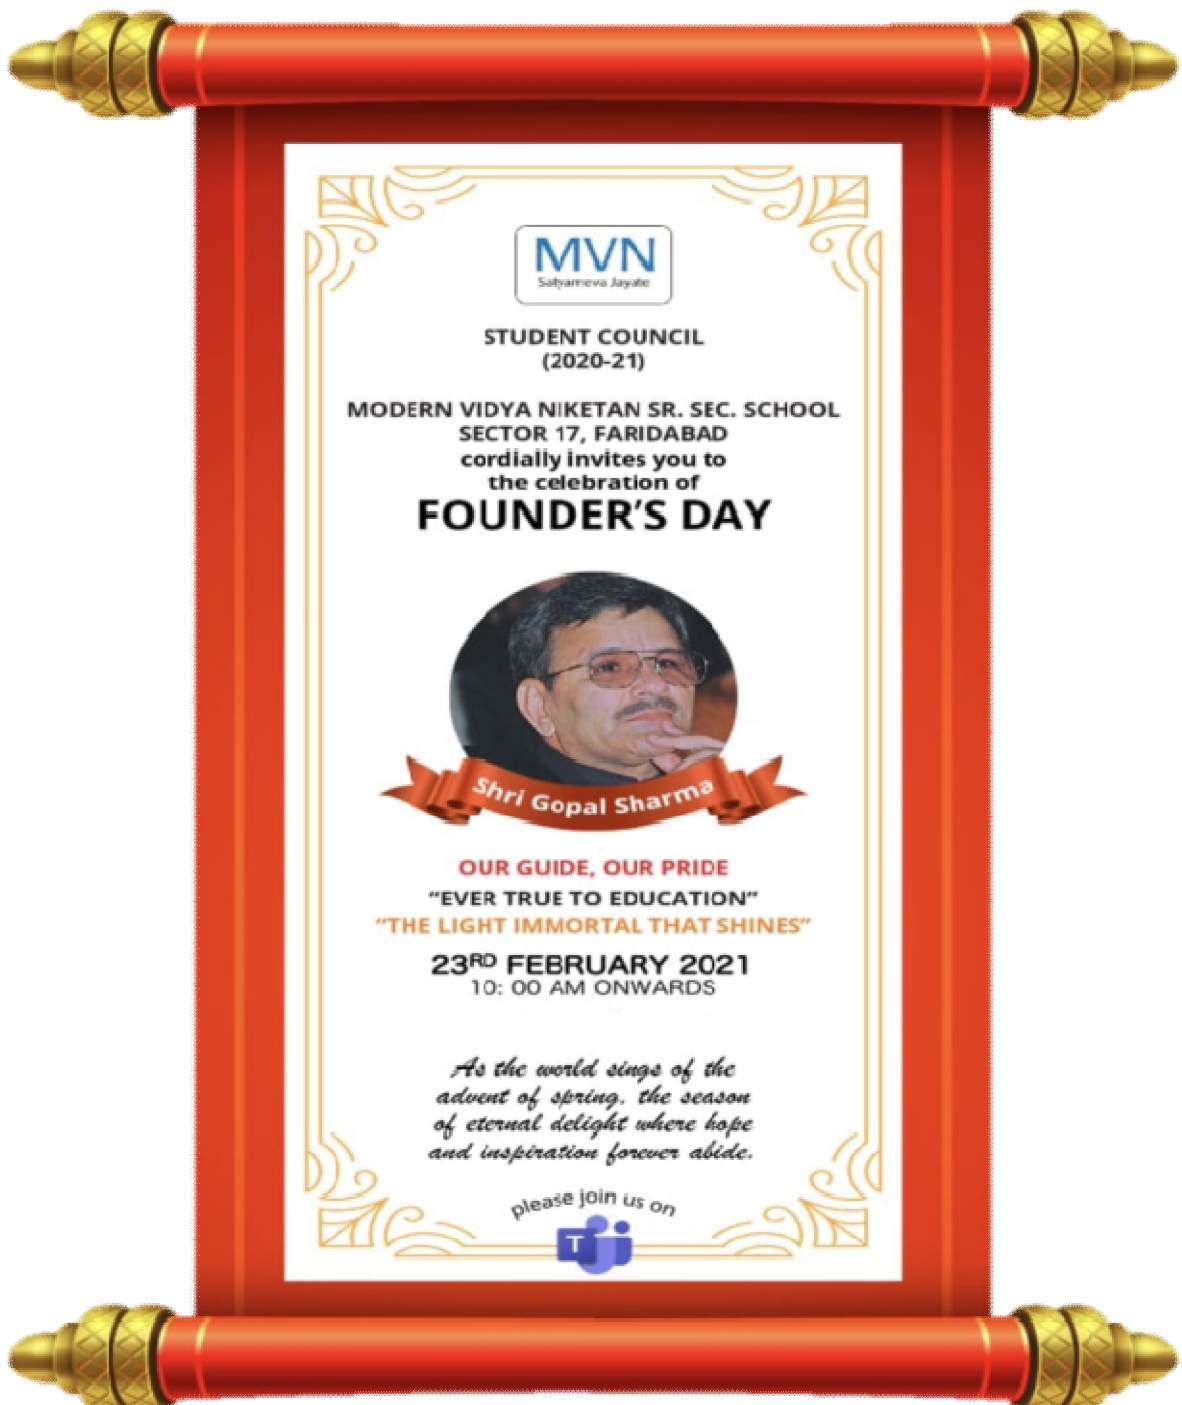

The phrase epitomizes the vision of our Founder Principal, SHRI GOPAL SHARMA SIR. He strove with utmost sincerity, grit, determination, and perseverance to build an abode of knowledge that would continue to illuminate the life path of students for the generation to come. On his 69th Birth Anniversary, we celebrate his vision and achievements to draw inspiration from the Legend who changed the scenario of education in Faridabad.

A special virtual assembly was organized by ‘Student Council’ to commemorate the joyous occasion. Students from all Classes paid their tributes to Shri Gopal Sharma Sir. Mr. Varun Sharma, President MVN Society, Ms. Ruchika Sharma, Management Member, MVN Society shared their fond memories of beloved Sir, who guided them as Father, as Teacher, and as a Mentor. Mr. J.P. Gaur, Director, MVN Schools paid an emotional tribute to sir. Ms. Anita Bhalla (Former Principal), Ms. Eneta Kaul and Ms. Kalpana Tanwar (Former Teacher) also paid a special tribute. Alumni members of the School Dr. Vivek Logani (1994) , Surgeon , Joint Replacement and Sports Injury Centre , Paras Hospital Gurugram ; Dr. Rajeev Chowdry (1994) , Sr. Consultant , Head of Department Internal Medicines QRG Central Hospital , Faridabad ; Ms. Ritu Sharma (1998) , Joint Secretary CBSE; Mr. Nakul Bharadwaj (1998) , Political Leader; Ms. Suveni Tameri (2001) Head Strategic Marketing and Hi-Tech Wipro Ltd. also shared their remembrances.

“Long after the light is gone,
Illuminance and radiance still glows.

Long after a dear one is gone,
Remembrances and Reminiscences
still keep him alive.

A mortal becomes an immortal,
When he touches so many lives!”

INTERNATIONAL WOMEN'S DAY

Celebrating Women Today and Always

When we see a strong woman, one thing has to be clear in our mind that she is strong because she has been forged through the challenges of life. She moves forward with her head held high and a strength that cannot be denied.

We at MVN Education believe in Women empowerment and inculcate this mindset in our younger generation so that girls could grow up to be fierce and compassionate women with a maverick approach towards life.

MVN E-MODEL PARLIAMENT

AGENDA : APPRAISAL OF THE GOVERNMENT ON VARIOUS FRONTS

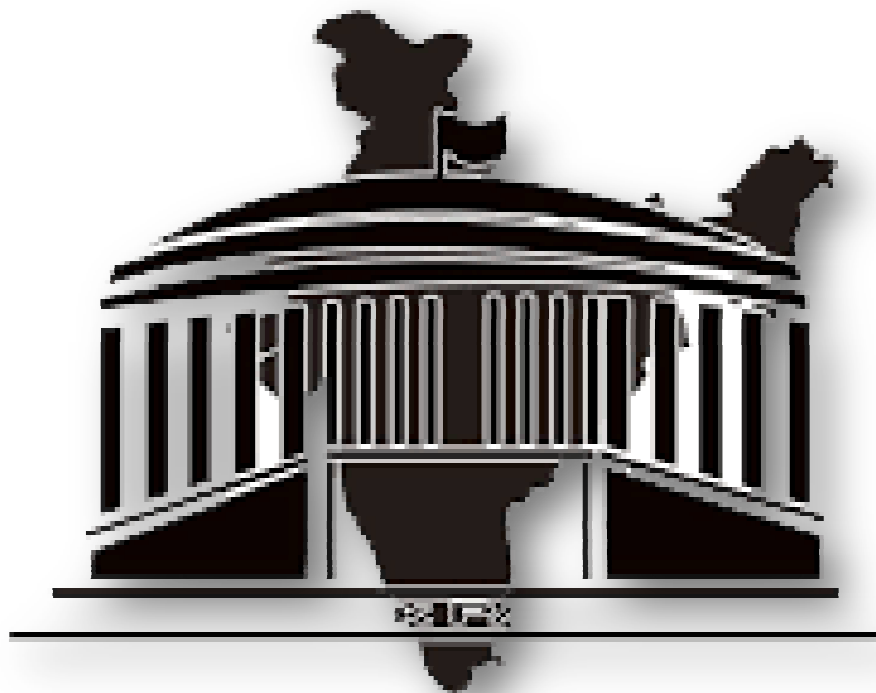

29 - 30 January, 2021

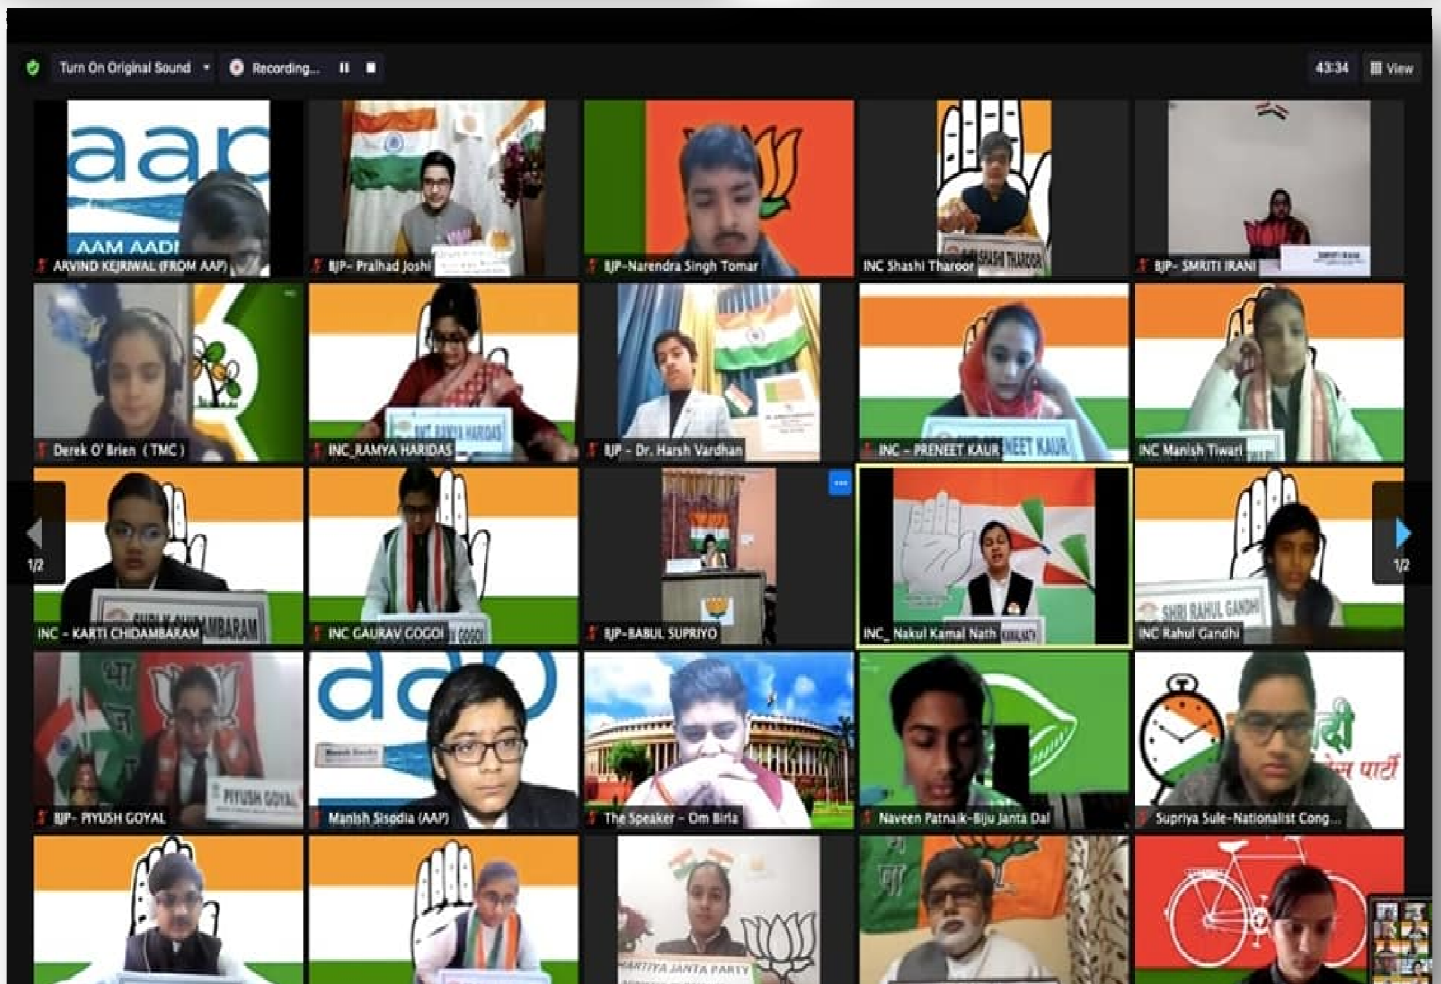

CRUCIBLE – The Confluence Of Ideas

E-MODEL PARLIAMENT

**“The Young People of India will build a Strong
And a Powerful Nation,
A Nation that is Politically Mature and
Economically Strong”**

The E-Model Parliament organized by Modern Vidya Niketan is an opportunity for the students to make an impact and highlight the need for the young minds to get firsthand experience in the governance of the country. It is a platform to inculcate leadership qualities in them, to experience the law making process of our country, sharpen their skills of debating, negotiating and to broaden their mindset.

A VIRTUAL ONLINE COMPETITION - RAWAL PUBLIC SCHOOL

“The key to win is the will to prepare to win” is the maxim to which the students of MVN adhere to. Once again our luminescent stars of MVN displayed their prowess in the inter school virtual competitions held at Rawal Public School. Dhrishti Vashishta of Grade IV beat all to win the First Prize in the Poetry Recitation Competition. She took home a gift voucher worth 2100 Rupees. Kenisha Newar of Grade VI did us proud by bagging the First Prize in ‘Legend Rebooted’. She also got a voucher worth rupees 2100. Vaishnavi Barnwal of Grade VIII sang her way to the top in ‘Mile Sur Mera Tumhara’. She also won a voucher worth Rupees 2100.

ONLINE INTERNSHIP PROGRAM

WINNERS OF INTERNSHIP PROGRAM - DIYA SHER & TEAM

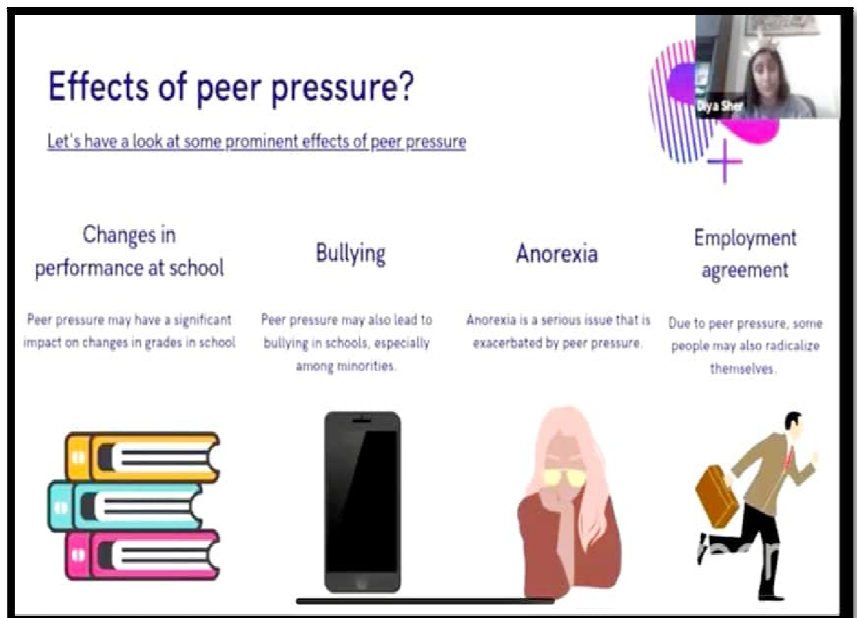

An 'Online Senior Internship Program' was organised by ANON GLOBAL FOUNDATION in which DIYA SHER of Class XI of MVN School, Sector-17 and her team were declared Winners in the Program 'Handling Peer Pressure'.

This Event was held from December 15,2020 to January 05,2021 in collaboration with YWCA of India as a part of the COVID CRISIS RESPONSE INITIATIVE .

Schools and Universities from all over India participated in the 'Psycho-Social & Mental Health Program' and were judged on the parameters

of Research , Surveys, Analysis , Movie Making, Teamwork and Presentation.

The School stands proud and congratulates Diya Sher and her team on their wonderful feat.

BEST OUT OF WASTE ACTIVITY

The principle of Refuse, Reduce, Reuse, Repurpose and Recycle was reinforced among the MVNites as they participated enthusiastically in the activity “Best out of Waste” by using the waste material in our surroundings.

The students of Classes VI to VIII enjoyed doing the activity thoroughly as they used their creativity to make innovative things like wall hangings, paintings, sculptures, artistically made paper flowers etc. by using the waste material like newspapers, bottles, empty cans, plastic, ice-cream sticks etc. This activity helped the students to realize the importance of recycling and reusing the waste material and to make best use of the resources available to them. It also helped to enhance the creative as well as the presentation skills of the students as they showcased their talents in making the beautiful articles.

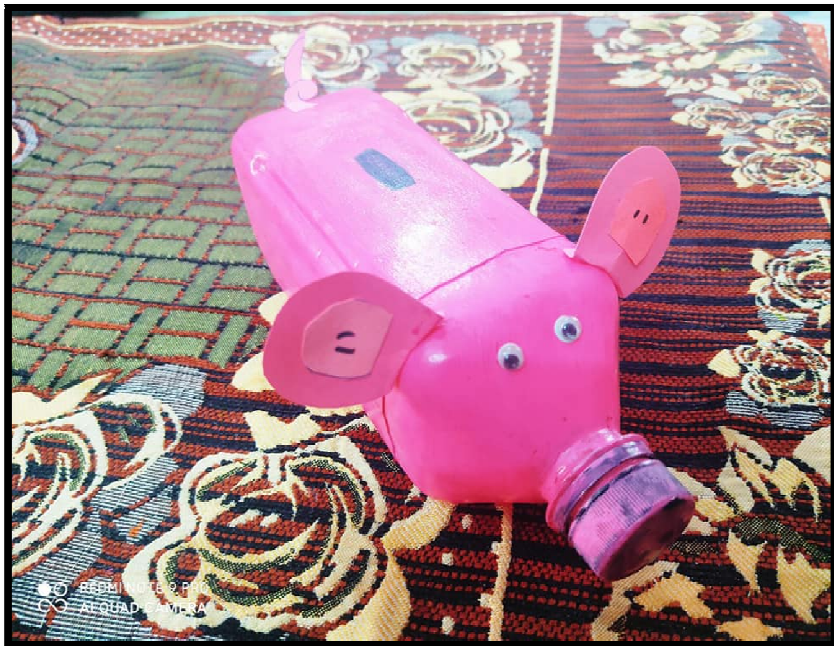

The objective of the activity was achieved as the students developed a sense of love for the environment by getting the best out of the waste.
