Dear Students

The Power of Positive Thinking: Your Key to Success

Imagine a seed planted in a garden. With sunshine, water and care, it grows into a beautiful flower. Your mind is like that seed. With positive thoughts and hard work, you can grow and achieve amazing things!

****Believe in Yourself****

The first step to success is believing in yourself. Think of your favourite superhero. What makes him great? It's his confidence and determination! Just like him, you have special talents and abilities. When you believe you can do something, you're already halfway there. So, tell yourself every day, "I can do it!"

****Embrace Challenges****

Challenges are like puzzles. They might seem tough at first, but with patience and effort, you can solve them. Remember, every challenge is an opportunity to learn and grow. If you find your homework difficult or a game too tricky, don't give up. Instead, think, "This is my chance to get better."

****Stay Positive****

Positive thinking is like a superpower. When you think good thoughts, you feel happier and more energetic. Try to focus on what's good in every situation. Did you make a mistake? That's okay! Mistakes are just stepping stones to success. Each one teaches you something new.

****Help Others and Be Kind****

Success isn't just about what you achieve; it's also about how you treat others. Being kind and helping your friends can make you feel proud and happy. When you lift others up, you create a positive environment where everyone can succeed together. Plus, kindness often comes back to you in wonderful ways!

****Set Goals and Dream Big****

What are your dreams? Maybe you want to be a scientist, an artist, or a sports star. Whatever it is, set goals and work towards them. Divide your big goals into small objectives. Celebrate each little success along the way. Remember, every great journey begins with a single step.

**CLASS
ASSEMBLIES**

BAISAKHI & AMBEDKAR JAYANTI

"Harvest the seeds of hard work, nurture them with gratitude, and celebrate the bountiful yield."

Students of Class V Aster presented a special assembly on the occasion of Baisakhi, which marks the start of the harvest season and is celebrated with great enthusiasm.

The students presented the essence of the joyous occasion of Baisakhi through a beautiful poem that celebrated the spirit of harvest and new beginnings. The students also presented a short speech on Baisakhi which symbolizes the joy of abundance, the spirit of unity and the hope of a prosperous future. The news update about the latest happenings around the world were also presented.

In the heart of India, a beacon was born, A light in the darkness, to shatter the scorn. With wisdom and courage, he took up the fight, For justice and freedom, for every right. Students of Class V Aster showcased meaningful song and poem to pay homage to Dr. B.R Ambedkar. The poem beautifully encapsulated the essence of Dr. Ambedkar's legacy, portraying his tireless efforts for equality and justice with eloquence and heartfelt emotion. It reminded us of the profound impact of his vision on shaping a fairer society.

The song chosen for assembly harmoniously echoed the spirit of unity and empowerment championed by Dr. Ambedkar. Its uplifting melody and meaningful lyrics reminded everyone of the importance of solidarity and the pursuit of social justice, themes that resonate strongly with Dr. Ambedkar's teaching.

It was a moment of great spiritual and cultural importance, students learnt about the beginning of a new community based on equality, bravery and devotion.

EARTH DAY

"The Earth does not belong to us. We belong to the Earth."

- Chief Seattle

Earth Day is an annual event celebrated on April 22nd to raise awareness and promote action towards conserving our planet. It serves as a reminder to appreciate the incredible diversity of life that exists on the earth and to recognize the importance of preserving and protecting our natural resources for future generations.

Earth Day is not just a one-day celebration but a call to action every day. It reminds us that we have the power to make a difference in saving the earth and creating a sustainable future. By coming together and taking collective action, we can ensure that future generations inherit a world that is healthy, thriving and abundant with natural wonders.

A special assembly on 'Earth Day' was presented by the students of Grade V Bluebells. The objective of this assembly was to acquaint students with the significance of celebrating Earth Day. Students were made aware of various environmental issues and how they can protect Mother Earth. A wonderful 'Nukkad Natak' on Earth Day was also presented. In the end, students took a pledge to protect Mother Earth. They promised to work towards creating a brighter and more sustainable future, where harmony between humans and nature is the foundation of existence.

INTERNATIONAL DANCE DAY

**In a world where words may fall away,
Dance speaks the truths we long to say.
A language ancient, pure, and free,
In every step, our souls decree.**

Dance is a beautiful art form that brings joy, freedom, and a sense of unity. Whether it's ballet, hip-hop, salsa, or traditional folk dances, every style has its own unique charm and story. Dance allows us to express our emotions, tell stories, and connect with others in a way that words often cannot.

To mark the International Dance Day, students of Class IV Aster put up a spectacular class assembly, featuring a variety of dance styles from around the world. Their performances were filled with energy, grace, and creativity, leaving the audience mesmerized and inspired.

The assembly was a true reflection of global unity and cultural appreciation.

MOTHER'S DAY

"Mothers are the architects of our earliest dreams, the keepers of our deepest secrets, and the guardians of our brightest hopes."

On the occasion of Mother's Day, Grade III Aster presented a wonderful assembly. During the assembly, children celebrated, admired and expressed their gratitude towards their mother.

Enthralling music, song and dance performances by students captivated the audience, making it a truly wonderful and delightful experience for everyone involved.

VACATION VIBES: RELAX, RECHARGE AND REFRESH

Let us wander near and far

Guided by the evening star

At each step a story lies

This is the joy found during vacation time

Summer vacation is an incredible time; it's a vital time for rest, exploration, and personal growth. It offers students the chance to recharge their minds, pursue hobbies, and spend quality time with family and friends. This period of relaxation and adventure helps them return to school refreshed and ready for new challenges. Grade III Bluebells presented assembly on the theme of summer vacation.

The assembly began with an inspiring thought of the day. Our talented students recited a beautiful poem about summer, capturing the essence of the season and the joy it brings. Their expressive delivery left everyone in awe and set the perfect tone for the day.

A speech on 'Beat the Heat' also informed everyone to stay healthy and active during the harsh weather conditions.

Classroom Activities

PLAYTOPIA: EXPLORING IMAGINATION

The first day of school is the beginning of a wonderful journey filled with laughter, learning, fun and friendship. It is an exciting time and to set the students at ease, some engaging funfilled activities were organized in the Primary Wing.

The students of Grade I got involved in a 'Getting to know' sheet wherein they gathered important information about the new class.

Grade II framed their classroom rules. The students of Grade III and IV wrote affirmations on sashes, made badges and birthday cards respectively. An extempore activity was conducted for the students of Grade V. These interactive activities proved to be very effective in creating a sense of comfort and tranquility, fostering essence of security and belonging. All the activities proved to be the perfect way to relieve first-day jitters.

WORLD HEALTH DAY CELEBRATION

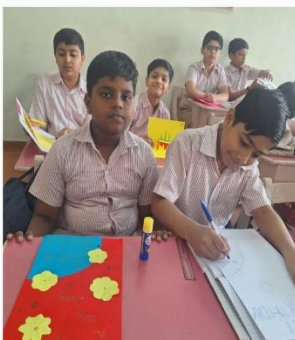

World Health Day is celebrated on 7th April to mark the anniversary of the founding WHO in 1948. It is a global campaign, inviting everyone – from global readers to common masses, to raise awareness about specific health concerns affecting people all over the world. The theme of this year is "My Health, My Right."

The students of Grade I were taught proper steps to wash their hands. They also recited a poem on hand hygiene and enjoyed colouring worksheets.

Grade II students prepared colourful salads using different fruits, thereby learning the importance of consuming fruits.

Grade III students had fun, participating in races, understanding that physical activity, such as running, helps maintain fitness. Grade IV and V students created spectacular posters on the same theme. World Health Day provides an opportunity to start collective action to protect people's health and well-being..

BAISAKHI CELEBRATION

“Wheat crop is ready for harvest.

Time to rejoice and feel nice

Fruits to reap of blood and sweat,

And get joyous and celebrate life.”

Baishakhi is usually celebrated on April 13 every year. It marks the Sikh new year and commemorates the formation of the Khalsa Panth of warriors under Guru Gobind Singh in 1699. Baisakhi is also an ancient festival of Hindus, marking the Solar New Year and celebrating the spring harvest.

Various activities related to Baisakhi were organised for the students of the Primary Wing. Grade I students enjoyed the ‘Corn on the Cob’ activity. Grade II and III students made Baishakhi cards and beautiful collages. Grade IV and Grade V students enthusiastically participated in extempore and poster-making activities respectively. It was wonderful to see the students engage in such diverse and enriching activities. The motive behind these celebrations was to apprise the students of the rich cultural diversity of India and also promote understanding among students of different backgrounds.

FUN FILLED ACTIVITIES

**“Play, Explore, Discover and Learn
Classroom is where the magic happens.”**

Learning is an adventure filled with fun and fantastic experiences which occurs in the safe and engaging classrooms of MVN. Highlighting the importance play and exploration in the primary years, a wide array of engaging activities were conducted for the students of Classes I – V.

Grade I students performed energetic aerobics promoting the importance of fitness.

Grade II students reveled in laughter and camaraderie as they participated in entertaining games designed to foster teamwork and joy.

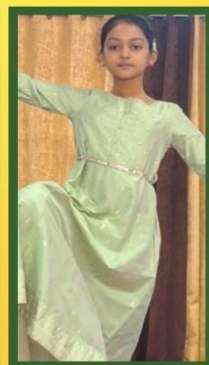

Grade III students eloquently showcased their knowledge and quick thinking in an extempore activity, demonstrating their intellectual prowess.

Grade IV students unleashed their imagination and resourcefulness in a 'Best out of Waste' project, transforming ordinary materials into extraordinary creations.

Grade V students dazzled with their solo dance performances, highlighting their individuality and artistic expression.

These activities not only honed the creative abilities of our young learners but also instilled in them the confidence to fearlessly share their talents with the world.

RABINDRANATH TAGORE JAYANTI

"Reach high, for stars lie hidden in you .

Dream deep, for every dream precedes the goal."

Rabindra Jayanti is not just a commemoration of Tagore's birth anniversary; it is a celebration of his profound impact on our society and his message of universal harmony, love and humanity.

Tagore ,the versatile genius that he was, was also a prolific music composer and revolutionized Bengali music with his soulful melodies. His songs, known as Rabindra Sangeet, continue to enthrall music enthusiasts even today, serving as a constant reminder of the timeless beauty and depth of his artistry.

To celebrate the birth anniversary of Rabindranath Tagore, the students of Grade IV - V prepared a recital followed by a melodious song and dance performance.

As the students celebrated celebrate Rabindra Jayanti, they strove to embrace his ideals of humanism, tolerance, and cultural diversity.

Rabindranath Tagore

to be sheltered
from dangers
but to be
fearless when
facing them."**

MOTHER'S DAY CELEBRATION

"A mother's love is the fuel that enables a normal human being to do the impossible."

– Marion C. Garretty

Mothers are a priceless gift from God and a perfect amalgamation of love, devotion and sacrifice. The bond of a mother and her child is inexplicable and to celebrate this bond, Mother's Day is observed every year on the second Sunday in May. The Primary Wing celebrated this day with great zeal and exuberance to foster the social and emotional health of the learners through motherly love and compassion.

Learners of Grade I celebrated this momentous day with a graceful dance performance dedicated to mothers. Paper craft activity by Grade II students, was an expression of their enduring love for their mothers.

Heart-felt messages put together on wall hangings by Grade III students were a token of appreciation for their mothers.

The activities organized by the school indeed created timeless memories for the mothers and the children.

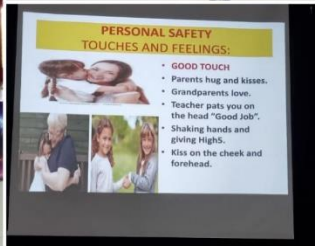

BEWARE AND BE AWARE

In a world where safety concerns are ever-present, equipping primary children with essential safety skills is paramount. The "Beware and Be Aware" workshop was conducted by Ms. Sreshti Chaturvedi -School Counsellor to enable young learners with the knowledge and tools about various safety hazards that students may encounter in their daily lives. Children were made to learn to identify potential risks in different environments, including at home, school and playgrounds.

Practical safety strategies were taught to children, in order to respond effectively in different situations. This included understanding of emergency procedures, to know when and how to seek help, and to learn basic first aid skills. Using aids such as videos & real-life scenarios, the counsellor created awareness about safety rules during critical situations.

Through engaging activities like role play and meaningful discussions, it aimed to instill lifelong habits of vigilance and responsibility in young learners.

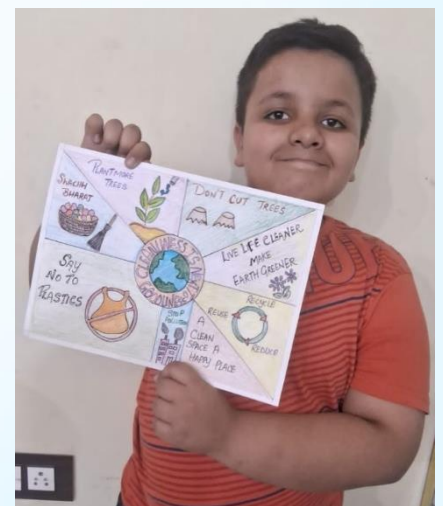

WORLD ENVIRONMENT DAY

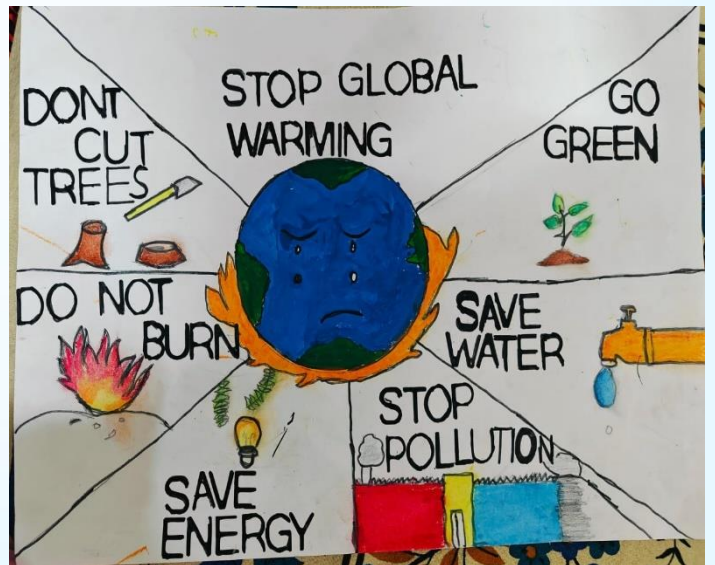

"Earth provides enough to satisfy every man's needs, but not every man's greed."

- Mahatma Gandhi

The students of the Primary Wing created meaningful posters to create awareness on different environmental issues such as Global Warming, Pollution, Deforestation and also deliberated upon solving the issues through remedial measures such as planting trees, adopting the principle of 3Rs etc

They also planted saplings and did their bit to make the Earth greener and healthier. The activities spread the message that let us be good stewards of the Earth we have inherited. All of us share the Earth's fragile ecosystems and precious resources, and everyone has a role to play in preserving our planet.

FATHER'S DAY CELEBRATION

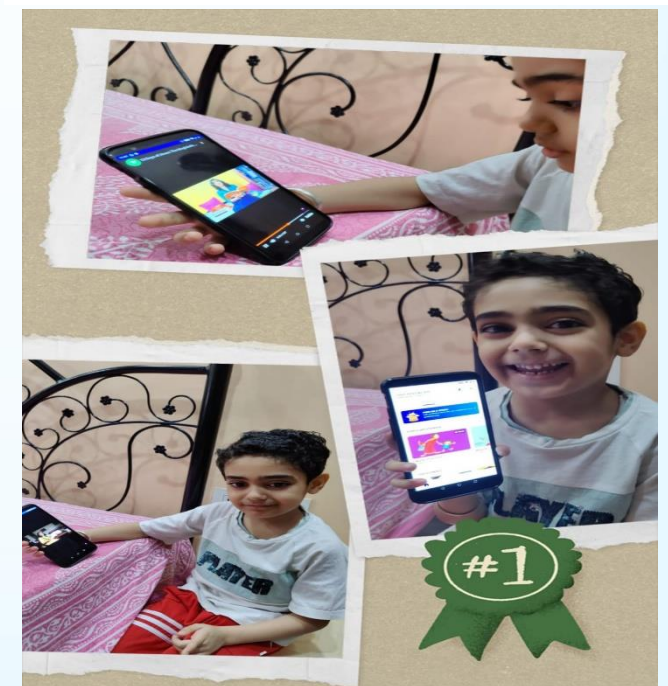

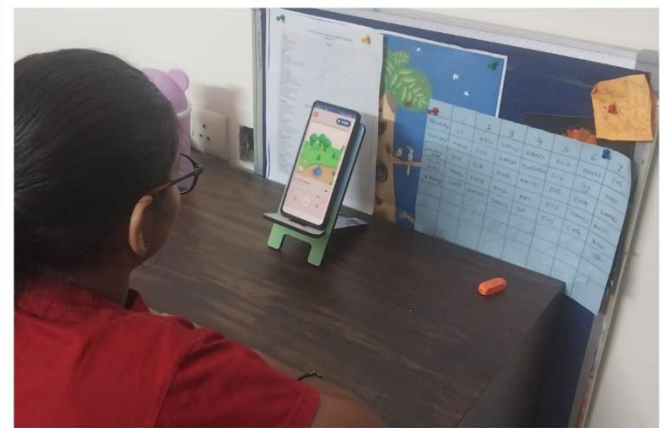

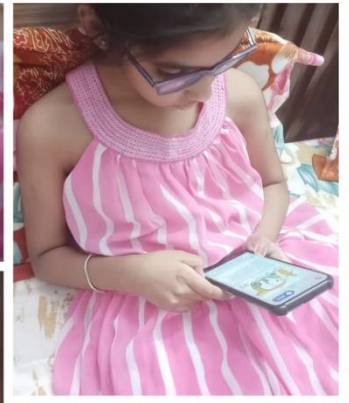

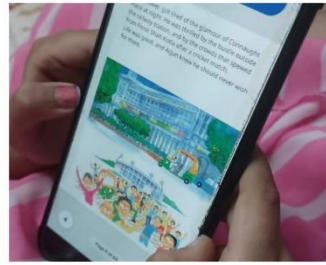

"The quality of a father can be seen in the goals, dreams, and aspirations he sets for his children."

Father's Day is a special occasion to honour and celebrate fathers for their love, guidance and support. It's a great opportunity to show appreciation and gratitude to our superheroes.

Fatherhood embodies strength, wisdom and unconditional love. Filled with immense gratitude, students cooked and served various millet dishes to their fathers, who have been guiding lights and the biggest support for their children. Fathers' selflessness, dedication and unwavering belief in their children have shaped them into better individuals.

INTERNATIONAL YOGA DAY

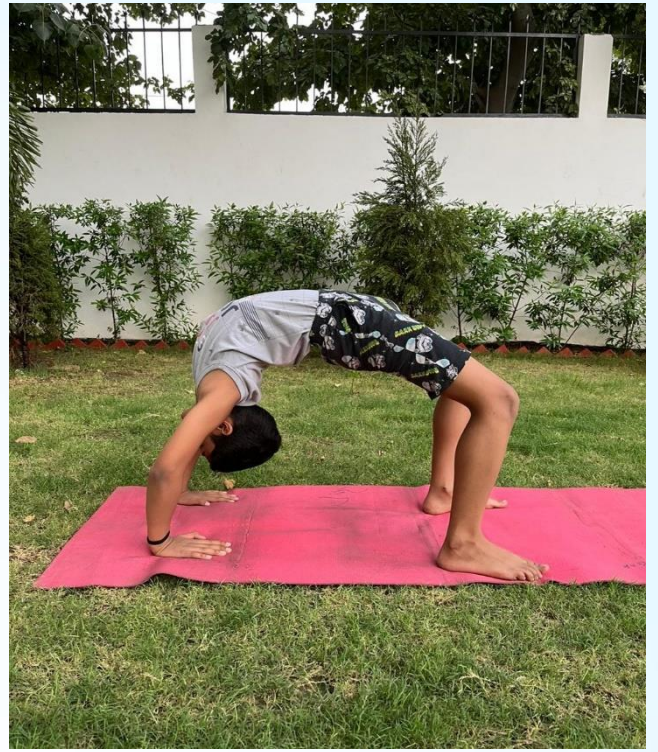

"Yoga is the journey of the self through the self, to the self"

Our students celebrated International Yoga Day in a unique and fun way! Despite being at home, they joined together in spirit to practice yoga and share their experiences with us.

We received amazing pictures of our students doing various yoga poses, showcasing their flexibility, balance, and focus. It was wonderful to see them embrace the benefits of yoga, even from a distance.

By sharing their yoga practices with us, our students demonstrated the importance of physical and mental well-being, discipline, and self-care. We are proud of their enthusiasm and commitment to healthy living.

BOOK WEEK DAY 1, 2 & 3

"Books are a passport to imagination, a key to knowledge, and a doorway to endless adventures."

Unlocking the doors to a world of endless possibilities, the MVNites celebrated their annual Book Week from April 29, 2024 to May 4, 2024 where young minds embarked on a captivating journey to "Discover Worlds within Words."

A variety of engaging and age-appropriate activities have been meticulously organized for the entire duration of Book Week.

Magical Story Nook (Day 1): The book week kicked off with a captivating story session, where students were introduced to the enchanting world of various literary genres. Through engaging narratives, they embarked on journeys that sparked their imagination and ignited their love for reading.

Wizards of Creativity (Day 2): On the second day, students unleashed their creative prowess by engaging in a myriad of activities related to reading. From designing personalized bookmarks to crafting delightful story-themed puppets, the young "Wizards of Creativity" showcased their artistic talents and brought the written word to life.

Enchanting Words (Day 3): Day three celebrated the students' linguistic prowess as they delved into the depths of language and literature. Through interactive workshops and captivating presentations, the young learners explored the power of words, honing their skills in storytelling, poetry, and effective communication.

Each day of the book week was marked by special attractions, including the "We Pledge to Read" initiative on Day 1, where students committed to nurturing their reading habits. The second day celebration included a visit to the senior library, where students discovered the vast array of literary treasures. Third day encompassed a book-swapping event that encouraged the exchange of beloved stories.

The week long activities ignited a lifelong love for reading and literature among our students.

BOOK WEEK DAY 4 & 5

**"Books and doors are the same thing.
You open them, and you reach into another world."**

– Jeanette Winterson

Laughter and animated chatter filled the air, as every corner of the school became a stage for the celebration of literature. The school thrummed with the pulsating energy of literary excitement, as if every nook and cranny exuded the essence of a good story. Day 4, titled "Masquerade Day," unfurled as a tapestry of literary revelry. Students poured into the halls, a whirlwind of colours and creativity, each one a walking ode to their most cherished characters and revered authors. They spoke about their favourite characters and narrated various stories. Masquerade Day was not merely an event, but a symphony of literary enchantment. It was a celebration of the myriad worlds contained within the pages of a book, and a testament to the transformative power of storytelling to unite, uplift and ignite the imagination.

On Day 5, titled 'Discover the Magic of Language,' the school buzzed with linguistic excitement. Students immersed themselves in phonics games, grammar challenges, idioms & proverbs exploration. Their laughter echoed as they tackled the Spell Bee Challenge. It was a celebration of words, their power to connect and transform, reminding all of the joy in exploring language's depths.

A book fair was also organized in school premises which was inaugurated by the school Principal, Ms. Agalya Venkatesh along with primary students. She inspired the students to embrace the joys of reading and to explore the treasure houses of deep knowledge. Book Week proved to be a great experience full of literary activities to enhance the reading and creative skills.

Amidst the giggles, students embarked on a journey of discovery, where learning was wrapped in the cloak of joy. It was a magical moment where hearts soared, minds sparked with curiosity, and the timeless art of storytelling flourished in its resplendent glory.

BUDDING PARTNERSHIPS: PARENTS AND TEACHERS UNITE AT MNV 17

The first Parent-Teacher Meeting (PTM) of the academic year 2024-25 was a remarkable event, showcasing the diverse talents and interests of our students through an Art exhibition, Book fair, Robotics exhibits and Earth Day presentation. Each event highlighted the creativity, knowledge and enthusiasm of our students, making it a memorable experience for all attendees.

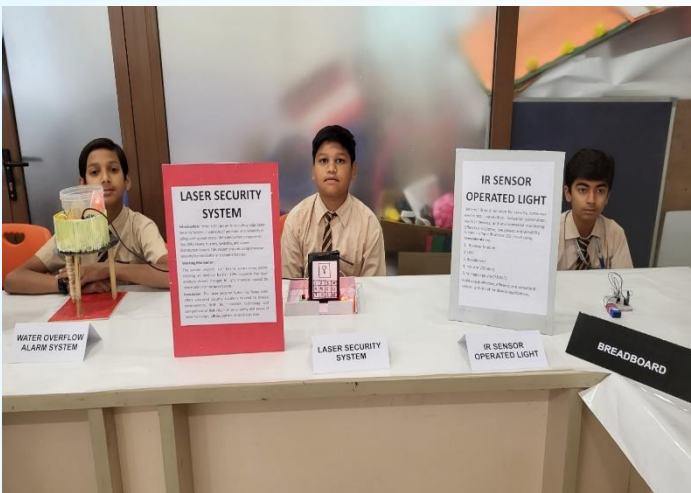

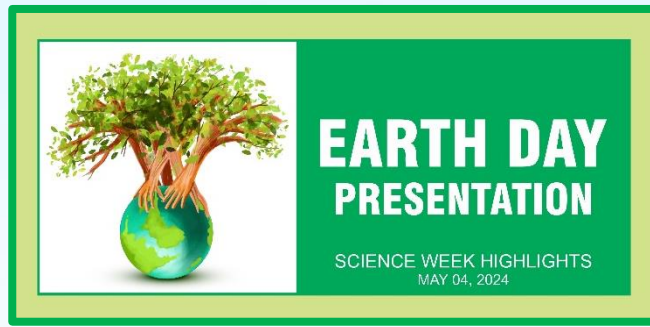

ROBOTICS EXHIBITS

MAY 04, 2024

The Robotics exhibition was a testament to the technological prowess of our students. The exhibition not only highlighted the technical skills of the students but also their ability to think critically and solve complex problems.

The Earth Day presentation was a thoughtful and engaging event aimed at raising awareness about environmental issues. Parents and teachers were particularly impressed by the students' commitment to environmental stewardship and their innovative ideas for promoting a greener future.

SYMPHONY STROKES ART EXHIBITION

MAY 04, 2024

The Art exhibition (Symphony Strokes) showcased a variety of mediums, including paintings, sculptures and digital art. Each piece reflected the unique perspective and artistic flair of the young artists.

VELS PROGRAMME

VALUE EDUCATION & LIFE SKILLS

The VELS Programme, initiated by MVN School, is dedicated to nurturing a positive mindset and equipping students with vital life skills essential for a fulfilling journey beyond the classroom. As part of this programme, a workshop on the theme - Anger Management was organized for the students of the primary wing. The aim of this workshop was to empower young learners with effective strategies to understand and control their emotions, fostering a harmonious and conducive learning environment. Through interactive sessions and engaging activities, students were equipped with practical techniques to recognize triggers, regulate emotion and resolve conflicts peacefully. The workshop emphasized the importance of self-awareness and empathy, laying a strong foundation for emotional intelligence and personal growth.

SCHOOL TRIP TO JIM CORBETT NATIONAL PARK

Adventure Awaits: Travel, Explore, Discover and Learn.

"The best education you will ever get is by travelling. Nothing teaches you more than exploring the world and accumulating experiences."

Education is not just going to school, it is about widening our knowledge and absorbing the truth about life by being a part of nature. Embarking on a thrilling journey into the wilderness, a group of students of Class IV-VIII, with teachers, set off on an unforgettable adventure to Jim Corbett National Park from 19 May 2024 to 20 May 2024. Located deep in the heart of nature, it provided an immersive experience where students had the opportunity to explore the beauty of the natural world and develop new skills. The Jim Corbett Museum was also an exceptional attraction for them where they observed a vast collection of flora and fauna and the preserved specimens of tigers and leopards.

The next day, the students were delighted to go on a jungle safari which was an unforgettable experience of driving through the forest as they sighted different species of animals and explored the various trails of the park.

The Jim Corbett Educational trip was an unparalleled experience for the students, offering them a unique opportunity to indulge themselves in the beauty of nature and engage in a range of exciting activities. From Jungle Safari through picturesque trails, each day was filled with adventure and unforgettable memories. As the students bid farewell to Jim Corbet Camp, they carried with themselves a newfound appreciation for nature and a deeper understanding of the importance of preserving our wildlife.

MVN Morning Bliss

आनो भद्राः क्रतवो यन्तु विश्वतः

कल्याणकारक विचार चारों ओर से हमारे पास आयें।

Let noble thoughts come to us from all directions.

- Rig Veda 1.89.1

यत् भावो – तत् भवति

“We become what we think.”

How true the wisdom of ages is ! As John Milton once averred,

“Mind is its own place, and in itself, can make a heaven of hell, a hell of heaven.”

Our thoughts have the infinite prowess to influence our emotions, shape our temperament, dictate our conduct, in fact, create our destiny. And, in this captivating design of the mind-body-spirit complex, the beginning of the day plays a crucial role. As we go down the annals of human existence, we discover that every culture has reinforced the profound significance of morning time in setting tone for a day that realizes its potential.

Students of MVN 17 have launched a new initiative “Morning Bliss” in this direction of enriching our mornings with enlightening thoughts that nourish the very being.
